New Mexico Racquetball
Re: Programs

Katy,

New Mexico Racquetball was organized in 1977 and earned the 501C3 designation under the IRS in 1983. Our mission is to provide educational and recreational opportunities to the broadest cross-section of the community. Our sphere of influence stretches throughout New Mexico and into southern Colorado and west Texas. We are an integral part of the International Racquetball Federation (IRF), which serves over 80 countries.

We strive to give back to the community. Since 1989 we have contributed over \$500,000 to the IRF Development Fund, which assists with training and travel for worthy individuals/organizations. In 2023 we contributed over \$5,000 to a host of groups around the state of New Mexico. Our event calendar is attached. The starship event is the IRF World Seniors in September in Las Vegas, New Mexico. Opportunities for participation include a business card ad for \$200 up to Name Sponsor for \$6,000. Some notable information:

*...The tournament has been held annually in New Mexico since 1985. ***
...It is the singlemost important fundraiser under the IRF.
...Over 40 countries have been represented; along with the 50 US states.
...The economic impact for the City of Albuquerque in 2022 was about \$1 million.
...We draw on the average 200 players; plus many spectators, delegates, and volunteers.
...We stream selected matches to five continents.

**** we bypassed 2020 (Covid year)**

We look forward to working together and to help promote your organization.

Sincerely,
Gary Mazaroff, President NM Racquetball
