We have yet to confirm the 2027 New Mexico Racquetball calendar of events; yet, the intent is to move the State Championships (Singles & Doubles) to Las Cruces. The host site will be the Activity Center at the New Mexico State University. The first NM State Racquetball Championships were held on that campus in 1974. The original four courts are still in operation and filled with energy.

Calendar of Events

September 1-5	41st Frank Hotels IRF World Senior Racquetball Championships; Montoya Rec Center, Wilson Complex, UWC of the American West, Las Vegas, NM
