

Report from Roswell & More

The Physical Education complex at the ENMU Roswell branch opened up to New Mexico Racquetball March 25-27. This venue is a *hidden gem* tucked away in the Pecos Valley in the *Alien City*. We are fortunate to have Frank Gonzalez and his staff as advocates for growing the indoor court sports. NM Racquetball promotes all of the court/racquet sports as its mission; with racquetball as its main lifeline. This was the inaugural offering of pickleball as an integral part of the event: 17 doubles teams played over 4 indoor courts. Results follow:
