

The Durango Championships & More

February 11-13 at the Durango Recreation Center (Colorado) NM Racquetball hosted another in a long line of events in this Four Corners gem. Our first event was held in 1980, shortly after Roy Solomon built the Durango Recreation Center. The twelve-court facility, noted for large draws, a wonderful hot tub, and the Gong Show rendition, still exists; yet, current operators decided to re-purpose the remaining six courts. It is part of our 'dreamwork' to entice a sale of the building to a group who believes in the indoor court sport tradition and *financial opportunity*. Fortunately, the Rec Center on Main Street has two beautiful courts, fit for viewing and full of energy. Thank you to the LOC (Mike Morales, Roxanne Henderson, & Dena Morrissey) for their efforts. We are grateful for contributor and sponsor support:
