Application Deadline: May 6<sup>th</sup>, 2026

Name of Applicant: \_\_\_\_\_

Name of Teacher Reference (printed): \_\_\_\_\_

Name of Class/Grade Taught by Teacher: \_\_\_\_\_

School Name: \_\_\_\_\_

## Information About the Camp

Each summer the Wisconsin Land and Water Conservation Association hosts two conservation camps for Wisconsin students. There is a middle school camp and a high school camp. The middle school camp is held at **Camp Lakotah** in Wautoma and this year it takes place **June 28-July 1**. It is for students who will be entering grades 6-8 in the upcoming school year. These camps provide positive educational outdoor experiences, foster an appreciation for nature, and introduce a variety of careers in natural resources and conservation. Professionals from various agencies present programs on topics like wildlife, habitat, water quality, fisheries, forestry, orienteering, and canoeing. These professionals, as well as adult volunteers, serve as overnight staff and group leaders for the duration of camp. Campers can make new friends, participate in hands-on activities, practice social & leadership skills, enjoy the outdoors, and just have fun!

1) Would you recommend this student as a participant in the selected camp?

\_\_\_\_\_ Yes          \_\_\_\_\_ No

If Yes, please respond to questions 2-3 that follow (*or* add a page of your own to address these questions and add your name, signature and date.

2) Why is this student a good candidate for the Forest County Conservation Scholarship?
