"Deformaty is one of the hottest USA Breaks/Electro House producers of the modern electronic scene with awesome phat and energetic sound, chart success, and hot releases for labels such as Kick It Recordings, Diablo Loco Records, V.I.M. Breaks, Lizplay Records and more!"

VIM RECORDS

Kick It Recordings dubbed him "the breakbeat king and aficionado" and his hyper aggressive breaks, house, and DNB are fierce enough to instigate riots. His DJ sets consistently provide a high octane, peak hour performance and are not experiences to be missed.
