

CE ACTIVITY EDUCATIONAL OBJECTIVES

Instructions: List all educational objectives below. Please see the "Educational Objectives for Continuing Education Activities" resource sheet for more information on how to write learning strong, measurable learning objects. You may use as many copies of this page as needed.

Note - Courses may append their educational objectives for the whole unit taught (courses). Peer Professional Groups (also known as Study Groups) may also append their objectives if appropriate.

Educational Objective:
<i>At the conclusion of this activity, participants should be able to...</i>
