RE: Letter of recommendation

Mr. Butler,

My staff and I would like to thank you for such a great sales class. The Butler Level 1 class has been overwhelmingly positive and the participants have all provided very good reviews. For us, the two day, Level 1 course was the best way to start. The building blocks that you teach each sales person are essential to their success and I look forward to working with you and your team in the future. Everyone is anxious to start the Level 2 class!

Best regards,
