

Putting your COVID 19 Thought on Trial

Within this worksheet, you will put your COVID 19 thought on trial by acting the defence, the prosecutor, and judge, to determine the accuracy of the thought.

Prosecution and defence: Gather evidence in support of, and against, your thought. Evidence can only be used if it's demonstrated to be true. No interpretations, guesses, or opinions!

Judge: Come to a verdict regarding your COVID 19 thought. Is the thought accurate and fair? Are there other thoughts that could explain the facts?
