

The most practical, affordable, life-like WaterLeg available!

Finally, you have the freedom to get your prosthetic leg wet—any way you want! WaterGait™ WaterLeg is the first of its kind—with breakthrough technology.

In person, through the mail or in conjunction with your practitioner, the process is quick, easy, and customized to meet your needs. We'll work with you to select the best options. Your leg will fit, feel and look as good or better than your primary below-knee prosthesis.
