Isaiah House 117/ Heidi Scherer, Location Leader / Pending, Texas / (281) 650- 9055 / isaiah117house.com

When children are removed from their homes out of concern for their safety, they are usually brought to a child welfare services office to await placement. This wait can be a few hours to several days. These children often have nothing with them and are scared, lonely, hungry, and in dirty clothing.

Isaiah 117 provides a comforting home where these children instead can be brought to wait – a place that is safe with friendly and loving volunteers who provide clean clothes, smiles, toys, and snuggly blankets. This space allows children to receive the comfort and care they need while child welfare staff can do the necessary paperwork and identify a good placement.

39. Senior Stockings - About Senior Stockings for Lighthouse Christian Ministries

This is a little about how it works:

Each senior citizen in their program fills out a short survey to let them know about something they want, something they need and a few personal extras and favorite things like flavors, scents, sizes, hobbies and more. They would then give that information to you toward the middle of November so you can purchase the gift for your senior. The recommended gift budget is $50.00 per senior. They ask that you buy the gifts they requested, wrap them, include a greeting card or note and deliver them to Lighthouse at 800 Grand Avenue in Bacliff by Thursday, December 4th, to be delivered by staff. You are welcome to deliver the gifts yourself. However, anyone delivering to a senior will need to have a background screening prior to making the delivery.
