This addendum must be incorporated into the final judgment. The amount of child support and the frequency of payment must be included in the final judgment. This child support addendum may become a part of a judgment in the above-styled action (the "Child Support Order"). The Child Support Order includes any agreement of the parties and other documents incorporated therein. The requirements of OCGA §19-6-15 have been applied in determining the amount of child support. The Child Support Worksheet and all applicable schedules thereto (collectively, the "Worksheet") attached hereto or filed contemporaneously herewith are a part of this addendum. Unless otherwise provided in the Child Support Order, the facts, data and calculations shown on the Worksheet shall become findings of the Court. <https://csconlinecalc.georgiacourts.gov/frontend/web/index.php>

**1. Number of Children.** The number of children for whom support is being provided is shown on the Worksheet. *[If child support is being determined for only one child, "children" and associated grammar shall be read as if written in the singular, where appropriate.]*

**2. Custodial/Noncustodial Parent:** The Noncustodial Parent for child support purposes is shown on the Worksheet. The other party is the Custodial Parent.

**3. Gross Income.** The monthly Gross Income of both parties is shown on the Worksheet, together with any applicable adjustments.

**4. Child Support Amount.** \_\_\_\_\_ shall pay child support to \_\_\_\_\_ in the amount of \$\_\_\_\_\_ per month beginning \_\_\_\_\_, 20\_\_\_\_. The findings which led to the Court’s entry of the child support total is set forth herein.

**5. Frequency of Payment:** Unless otherwise provided in the Child Support Order, child support is payable in two equal installments on the 1<sup>st</sup> day and the 15<sup>th</sup> day of each month, or in installments which correspond with the Noncustodial Parent's pay schedule, but at least monthly.

**6. Duration of Child Support.** Unless otherwise provided in the Child Support Order, with respect to each child, the obligations hereunder to pay child support, contribute to work related child care expenses, maintain health insurance, and pay uninsured health care expenses shall continue until the child reaches eighteen years of age, dies, marries or otherwise becomes emancipated; provided that, if a child reaches eighteen years of age before completing secondary school, the obligations to pay child support, contribute to work related child care expenses, maintain health insurance, and pay uninsured health care expenses for the child shall continue as long as the child is enrolled in and attending secondary school on a fulltime basis, but shall terminate when the child reaches twenty years of age. The related obligations to contribute toward Child Care costs, Health Insurance costs and uninsured health care expenses continues for the same time period as to each child.

**7. Child Care Expense.** If any section of this Paragraph is marked, the Court has found that Work Related Child Care expenses will be incurred in this case (“Child Care”).

\_\_\_\_\_ Work Related Child Care Costs that are found to be applicable are already included in the calculation of the amount of child support due under this order as shown in Paragraph 4. Each parent's pro rata share and the amount actually paid by each parent are shown on the Worksheet.

**OR**

\_\_\_\_\_ The Court has found that the Work Related Child Care costs to be variable and has not included those costs in the calculations which appear on the Worksheet. In addition to the amount of child support shown in Paragraph 4, the non-custodial parent shall pay a percentage of the Work Related Child Care Costs actually incurred by the custodial parent which is equal to the percentage of Pro Rata Shares of Combined Income as shown on Line 3 of the Worksheet. The custodial parent shall notify the noncustodial parent of any changes (increases, decreases and temporary or permanent cessation) in the cost of Child Care within 5 days of such change, and the custodial parent shall not accept reimbursement for any expenses not actually incurred. The noncustodial parent’s pro-rata obligation for contribution toward the Child Care expenses shall be adjusted accordingly when any change in the cost of Child Care occurs in the future. The noncustodial parent’s percentage of the Child Care costs that shall be paid in the event of any change in the Child Care costs is shown on Line 3 of the Worksheet.

Any Work Related Child Care costs actually incurred during visitation by the noncustodial parent shall be reimbursed by the custodial parent. The custodial parent shall reimburse the percentage of the Work Related Child Care Costs actually incurred during visitation by the noncustodial parent which is equal to the percentage of Pro Rata Shares of Combined Income as shown on Line 3 of the Worksheet.

**8. Health Insurance Availability.** The Court hereby finds that the following provisions are applicable in this case: *[select one]*

\_\_\_\_\_ Health insurance for the children has been addressed in the Worksheet and is included as a part of the total child support set forth in Paragraph 4. The Court has found that health insurance for the children is available at a reasonable cost to \_\_\_\_\_ through his/her employer or other source. As long as health insurance remains available to such party at a reasonable cost, such party shall maintain such health insurance on the children. The child support calculated in Paragraph 4 includes the pro-rata contribution of both parties for health insurance, based upon current costs. Within 30 days of the date of this order, and at least annually thereafter, the party obligated to provide health insurance for the child herein shall provide proof to the other party of the actual cost of the health insurance coverage for the child.

**OR**

\_\_\_\_\_ Health insurance for the children (other than Medicaid or PeachCare for Kids) is not available to either party at a reasonable cost at this time.

**9. Health Insurance Benefits.** The party who maintains health, dental or vision insurance on the children shall provide the other party with an insurance identification card or other acceptable proof of insurance coverage and shall cooperate with the other party in submitting claims under the applicable policy.

**10. Uninsured Health Care Expenses.**

a) Plaintiff shall pay \_\_\_\_\_% and Defendant shall pay \_\_\_\_\_% of all uninsured health care expenses incurred for the child. "Uninsured health care expenses" means uninsured medical expenses including, but not limited to, health insurance copayments, deductibles, and such other costs as are reasonably necessary for orthodontia, dental treatment, asthma treatments, physical therapy, vision care, and any acute or chronic medical or health problem or mental health illness, including counseling and other medical or mental health expenses, that are not covered by insurance.

The party who incurs an uninsured health care expense for a child shall provide verification of the amount actually paid by that party to the other party within 90 days of the cost being incurred. The other party shall reimburse the party who incurred the uninsured medical expense for the child (or pay the health care provider directly) for the appropriate percentage of the expense within 30 days after receiving verification of the expense. If the party who incurred the uninsured medical expense does not provide proof of the expenditure within 90 days of incurring the expense, the obligation to contribute by the other party shall not be effective or enforceable by contempt proceedings.

b) Should either party receive a total or partial refund or other reimbursement of any uninsured health care expense of the child that has been contributed to by the other party, the party receiving the refund or other reimbursement shall notify the other party within 5 days of receiving the same. The refund or other reimbursement shall be divided between the parties in the same percentages referenced above provided each party previously contributed to the uninsured health care expense for which the refund or other reimbursement was received.

c) Should any child whose support is being determined herein be recommended for a health care procedure (specifically including, but not limited to, orthodontia) which the party with final decision making authority over health care elects to pursue on behalf of the child and should the provider of such health care accept direct payment arrangements with the child's parents or legal custodians, the parties shall each be obligated to make payment arrangements directly with such health care provider in the same percentages as set forth in Paragraph 10(a) above.

**11. Deviations.** If the Court has found any deviations to the Presumptive Amount of Child Support to be applicable in this case, the Court has so indicated on the applicable section of the Worksheet.

**12. Social Security Benefits.** If Title II Social Security benefits for the children from the account of the Noncustodial Parent are shown on the Worksheet, such benefits shall be counted as child support payments, and shall be applied to the child support to be paid by such parent. If the amount of benefits received is less than the amount of support ordered, the Noncustodial Parent shall pay the amount exceeding the Social Security benefit. If the amount of benefits received is equal to or more than the amount of support ordered, the Noncustodial Parent's responsibility is met and no further support shall be paid. Any Title II benefits received by the Custodial Parent for the children's benefit shall be retained by the Custodial Parent for the children's benefit, and shall not be used as a reason for decreasing the amount of child support or reducing arrearages.

**13. Parenting Time.** The Court has considered parenting time in making this award of child support and any deviation for parenting time that the Court has found to be applicable is set forth on the Worksheet.

**14. Continuing Garnishment for Child Support.** Whenever, in violation of the terms of the Child Support Order, there has been a failure to make child support payments, so that the amount unpaid is equal to or greater than the amount payable for one month, child support may be collected by the process of continuing garnishment for child support.

**15. Income Deduction Order.** *[Check (a), (b) or (c).]*

\_\_\_\_\_ (a) There is good cause, or the parties have agreed, not to require an Income Deduction Order at this time. Income deduction will not serve the children's best interest. The Noncustodial Parent shall pay child support directly to the Custodial Parent. The Custodial Parent may request an Income Deduction Order if there is a delinquency equal to one month's support.

\_\_\_\_\_ (b) An Income Deduction Order for payment of child support shall be entered by the Court pursuant to OCGA §19-6-32. The Income Deduction Order shall take effect if there is a delinquency equal to one month's support. The Income Deduction Order may be enforced by serving a "Notice of Delinquency" as provided in OCGA §19-6-32 (f).

\_\_\_\_\_ (c) An Income Deduction Order for payment of child support shall be entered by the Court pursuant to OCGA §19-6-32. The Income Deduction Order shall take effect immediately upon entry by the Court.

**16. Emancipation.** Child support has been determined for \_\_\_\_\_ children in this case. When the number of children for whom child support is owed decreases, the amount of support shall decrease as follows:

When there are only *three* children for whom child support is owed, the Noncustodial Parent shall pay child support of \$\_\_\_\_\_ per month beginning on the due date of the next child support payment.

When there are only *two* children for whom child support is owed, the Noncustodial Parent shall pay child support of \$\_\_\_\_\_ per month beginning on the due date of the next child support payment due.

When there is only *one* child for whom child support is owed, the Noncustodial Parent shall pay child support of \$\_\_\_\_\_ per month beginning on the due date of the next child support payment due.

The foregoing is not intended to restrict either parent's right to seek a modification of child support under applicable law. Additionally, the emancipation of a child shall cause an adjustment in the sums due for contribution for child care and health insurance as set forth in this order.

**17. Additional Provisions.** *[If these Additional Provisions conflict with other provisions of this addendum, the Additional Provisions shall control].*
