HEADLINE:

2026 Scrap Tire Collection Event

Saturday September 19^h and Sunday September 20st

9:00 a.m. to 2 p.m.

LIBERTY — Liberty Township, through a grant from Geauga-Trumbull Solid Waste Management District, will conduct its annual scrap-tire collection.

The program is a drop-off collection from 9 a.m. to 2 p.m. on Saturday, September 19th and Sunday September 20st

No tires will be accepted before or after these dates.

There is a limit of eight tires per residence.

Tires must be off rims.

Passenger car and light truck tires only.

Residents can bring their scrap tires to the township administration building, 1315 Churchill-Hubbard Road. For more information, residents can call the township administration building at (330) 759-1315 ext. 1003.

A MATTER OF BALANCE

MANAGING CONCERNS ABOUT FALLS

Many older adults experience concerns about falling and restricting their activities. A Matter of Balance is an award-winning program designed to manage falls and increase activity levels. Participants will learn fall prevention strategies along with specific exercises designed to increase their strength, endurance, flexibility, and balance. This is an 8-class program that will be held twice weekly. **The program is free.** Must sign up in advance to attend classes.

If you are interested in attending, please call The Girard Multi-Generational Center 330-545-6596. Classes will be held at Liberty Administration Building on Tuesday's & Thursday's, Starting September 22nd.

DATES OF CLASS: Sept. 22nd ,24th ,29th , Oct.1st ,7th ,8th ,13th ,& 15th
Time: 1:00 to 3:00

Funded by Direction Home of Eastern Ohio
