Note: Received a call from a resident who expressed how grateful she is for the outstanding job

the Road Department did. She called on Saturday about overgrown brush and trees along Park and Townsend. It is the best she's ever seen in her 21 years living on the street and feels the entire neighborhood is much safer.

A resident came in Tuesday to let the Administrator know how grateful she is over the outstanding service she received Monday night by the Fire Department. The homeowner could not identify a strong burnt odor or locate the source. It turned out to be a lithium battery that had melted a smart watch.
