SERVING OUR COMMUNITY

Our innovative technology, healthy options, and dedicated service make us the local vending service provider our schools prefer. Our team of experts will work with you to strategically place machines, ensuring your students and staff have access to the best snacks and beverages whenever they need it.

MAKING THINGS BETTER

Our wellness-focused vending solutions stock premium, better-for-you selections from the brands you know and trust. Our goal is to support those who strive to fuel up, be active, and live well.

SMART SNACKS IN SCHOOL

Full compliance with regulatory standards

TIME AND PLACE RESTRICTION

Machine automation turns on and off as required

ENCOURAGE HEALTHY SNACK HABITS

Delicious snacks without high fat, sugar and sodium
