III. Old / New Business

A. Old Business

1. Project Update

David Brown noted the Town of Jupiter's work on Saturn and Clemons Street is progressing although somewhat delayed by a private developer's work on an adjacent parcel.

B. New Business

1. Confirmation of project funding allocation

Deb Drum distributed to the committee the confirmed state legislature funding appropriation of \$700,000 (document attached).

The accepted allocation to the top 3 LRPI projects was as follows:

- 1) Culpepper Ranch Phase II Berm Project – \$270,000
- 2) Loxahatchee River Watershed Hydrological Refinements Phase I – \$160,000
- 3) Septic System Abandonment 2019-2020 – \$270,000

A motion to approve the above noted distribution of funding was made by Don Donaldson and seconded by Pat Magrogan; passed unanimously.

The entities receiving project funding were encouraged to reach out to FDEP as soon as possible to initiate their funding contracts.

Discussion was held directing Nestor Garrido to contact Albrey Arrington with Loxahatchee River District (LRD) to verify LRD will still utilize the \$270,000 funding since it is \$423,000 less than the amount of funding requested on their application.

2. Agency Update – Martin County
John Maehl from Martin County provided a very informative presentation of the County's work in the Loxahatchee River basin.
3. Other Business

Motion to adjourn offered by Pat Walker and seconded by Pat Magrogan.
