

HOPE Special Prom

The Hope Special Prom is an annual prom event specifically planned and designed for those with physical and mental disabilities. It is provided 100% free to the attendees thanks to the amazing work of our team and the many sponsors who come together to help make such an amazing event come together.

The prom gives an opportunity for the differently abled HS students and adults to dance, eat, socialize, and BE THEMSELVES all as equals. Something that may not be an option otherwise due to different reasons surrounding their disabilities.

We host hundreds of attendees along with their dates and caregivers if needed. Along with a team of dedicated professionals who donate their time and energy for this special event. We gather medical professionals, a DJ, photographers, face painters, caterers, rental companies, and others in an amazing venue, all to make this one night magical.

“Our goal at HOPE is to enrich the lives of those who don’t have the opportunity to assist themselves. There are a million circumstances in which someone can be down on their luck, and we strive to be a part of the solution.”

Our Mission

H.O.P.E.'s mission is simple. It is also in our name. We strive to help other people enjoy. Whether that is assisting, celebrating, or creating. We want to help others where we can.

We have several programs in place to assist those who have been denied assistance elsewhere. We also put together programs like the highlighted ones inside this brochure to celebrate others. We love creating and collaborating with others to bring the best possible assistance to those who need it most. We have a sole mission to help other people enjoy. That is what we specialize in. We are always excited to bring better situations to those who unfortunately cannot do it for themselves. We push to make life easier for others and more enjoyable.

HOPE Christmas

We are adopting families from local school districts in order to provide them with a full Christmas. This would provide them with enough to satisfy the holiday. We would like to be the miracle that some of these families need.

With adopting these families, we count on donations from businesses, other non -profits, and everyday people who can spare a little bit in order to assist others with a hand up. We can assemble it into the most awesome Christmas! We just cannot do it alone! WE NEED YOU! You can donate on our website HOPEChristmas.com , you can donate through our text to donate option by texting the word "HOPECHRISTMAS" to 44321, or you can contact us with the QR code below!
