Managed Care Plan: Covered services can only be rendered by participating dentists. Each covered person must select one participating dentist (per family) to provide general dental services. These general dentists will provide all covered services according to the Schedule of Copayments. Many services will be provided at no cost. Others may have small copayments that patients will pay directly to the dentist. When endodontic, periodontal, surgical or orthodontic treatment is needed by a specialist, the participating general dentist will refer the case to participating specialists. Unless otherwise noted, patient copayments will be the same when services are rendered by participating specialists. In the event that participating specialists are not available within 50 miles of your participating general dentist, you may be entitled to receive a benefit equal to the amount that we would pay a participating specialist. Members have no benefits when treatment is provided by a non-participating general dentist or when specialty services are provided without a referral from Dentcare or the participating general dentist.

Dependent Eligibility - Dependent Children are covered up to their 19th birthday, or up to their 23rd birthday if a full-time student.

Orthodontics - Dependent Children up to age 19.
