March 11, 2015

Mr. Daniel Cassella, President  
Amalgamated Transit Union Local 726  
40 Yukon Avenue  
Staten Island, NY 10414

**ATU LOCAL 726 BENEFITS FUND/GVS OPTICAL PLAN**

The following plan, effective April 1, 2015 through December 31, 2017 will provide Optical Benefits to all Amalgamated Transit Union members and eligible dependents. Children up to 23 years of age will be covered if enrolled in a college full time.

General Vision (GVS) will provide the enclosed services for each member and eligible dependent once every year as per date of service.

GVS will bill ATU Local 726 at a rate of \$10.00 per member/per month for the first year, \$10.00 per member/per month the second year and \$10.00 per member/per month the third year. GVS will administer the plan and maintain eligibility for all eligible active and retired participants via a monthly updated file.

GVS will provide the following services to all eligible participants:

- A. \*A Comprehensive Eye Examination (for glasses or contact lenses), which includes the following:
1. Case history - chief complaint, eye and vision history, medical history
  2. Distance and near acuities – habitual and/or uncorrected
  3. External ocular examination – biomicroscope
  4. Internal ocular examination
  5. Pupillary reflex evaluation
  6. Tonometry
  7. Distance refraction – objective and subjective
  8. Near refraction
  9. Binocular coordination evaluation (distance and near) phorias and ductions motilities, when indicated
  10. Gross visual field by confrontation
  11. Determination of treatment plan
  12. Assessment – advice to member, diagnosis
  13. Form completion – school, motor vehicle, etc

\*Dilation when professionally indicated.

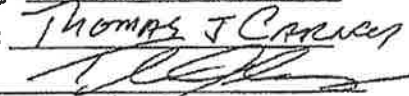

B. See exhibit "A" for in-network benefit.

C. See exhibit "B" for out-of-network benefit.

- GVS has developed a user-friendly website to afford members the opportunity to make appointments, view eligibility and certify copayments.
- General Vision Services has a licensed Optometrist on duty who provides visual analysis and determines the corrective eyeglass prescription. If the Optometrist recognizes any pathological or abnormal condition he/she will refer the patient to an Ophthalmologist.
- Lenses are first quality corrective curve (in original envelope) and comply with the standards of the American National Standards Institute (ANSI). Where possible lenses are American made.
- There is no charge for unlimited adjustments or minor repairs for eyeglasses. Breakage of lenses, frames and hinges due to defects in manufacturing are guaranteed up to a year.

This benefit will be automatically renewed unless either party submits notice of termination in writing.
