SECTION II. How Your Coverage Works

A. Your Coverage Under this Certificate.

Your employer (referred to as the "Group") has purchased a Group dental insurance Policy from Us. We will provide the benefits described in this Certificate to covered Members of the Group, that is, to employees of the Group and/or their covered Dependents. However, this Certificate is not a contract between You and Us. You should keep this Certificate with Your other important papers so that it is available for Your future reference.

B. Covered Services.

You will receive Covered Services under the terms and conditions of this Certificate only when the Covered Service is:

- Medically Necessary;
- Provided by a Participating Provider;
- Listed as a Covered Service;
- Not in excess of any benefit limitations described in the Schedule of Benefits issued with this Certificate; and
- Received while Your Certificate is in force.

C. Participating Providers.

To find out if a Provider is a Participating Provider:

- Check Our Provider directory, available at Your request;
- Call the number on Your ID card or
- Visit Our website at www.cigna.com.

The Provider directory will give You the following information about Our Participating Providers:

- Name, address, and telephone number;
- Specialty;
- Board certification (if applicable);
- Languages spoken; and
- Whether the Participating Provider is accepting new patients.

D. The Role of Primary Care Dentists.

This Certificate has a gatekeeper, usually known as a Primary Care Dentist ("PCD"). You need a Referral from a PCD before receiving Specialist care from a Participating Provider.

You may select any participating PCD who is available from the list of PCDs in the Cigna Dental Care Network. Each Member may select a different PCD. Children who are under

the age of 13, covered under this Certificate, may designate a participating PCD who specializes in pediatric care. In certain circumstances, You may designate a Specialist as Your PCD. See the Access to Care and Transitional Care section of this Certificate for more information about designating a Specialist. To select a PCD, visit Our website at www.cigna.com.

E. Services Not Requiring Referral from Your PCD.

Your PCD is responsible for determining the most appropriate treatment for Your dental care needs. You do not need a Referral from Your PCD to a participating Specialist for the following services:

- Covered orthodontic services, or Covered Services provided by a pediatric Specialist (for children under the age of 19).

However, the Participating Provider must discuss the services and treatment plan with Your PCD; agree to follow Our policies and procedures including any procedures regarding Referrals or Preauthorization for services rendered by such Participating Provider; and agree to provide services pursuant to a treatment plan (if any) approved by Us. See the Schedule of Benefits issued with this Certificate for the services that require a Referral.

F. Access to Providers and Changing Providers.

Sometimes Providers in Our Provider directory are not available. Prior to notifying Us of the PCD You selected, You should call the PCD to make sure he or she is a Participating Provider and is accepting new patients.

To see a Provider, call his or her office and tell the Provider that You are a Cigna Dental Care Member, and explain the reason for Your visit. Have Your ID card available. The Provider's office may ask You for Your Member ID number. When You go to the Provider's office, bring Your ID card with You.

To contact Your Provider after normal business hours, call the Provider's office. You will be directed to Your Provider, an answering machine with directions on how to obtain services, or another Provider. If You have an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911.

You may change Your PCD by contacting Us at the number on Your ID card. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at the number on Your ID card. To obtain a list of Dental Offices near You, visit Our website at www.cigna.com, or call the Dental Office Locator at the number on Your ID card.

Your transfer request may take up to five days to process. Transfers will be effective the first day of the month after the

processing of Your request. Unless You have an emergency, You will be unable to schedule an appointment at the new Dental Office until Your transfer becomes effective. You can check the status of your request by visiting myCigna.com, or by calling us at 1-800-Cigna24. There is no charge to You for the transfer; however, all Cost-Sharing which You owe to Your current Dental Office must be paid before the transfer can be processed.

If We do not have a Participating Provider for certain provider types in the county in which You live or in a bordering county that is within approved time and distance standards, We will approve a Referral to a specific Non-Participating Provider until You no longer need the care or We have a Participating Provider in Our network that meets the time and distance standards and Your care has been transitioned to that Participating Provider. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

G. Out-of-Network Services.

We cover the services of Non-Participating Providers for Emergency Dental Care only.

H. Services Subject to Preauthorization.

Our Preauthorization is not required before You receive certain Covered Services. Your Participating Provider is responsible for requesting a Referral for in-network services with a participating Specialist.

I. Notification Procedure.

If You seek coverage for out-of-network services that require notification, Your Provider must call Us at the number on Your ID card.

J. Pre-Determination/Pre-Treatment Estimates.

We allow You to request and obtain an estimate of coverage. You or Your Provider may contact Us and request a pre-determination of benefits, also known as a pre-treatment estimate. If We determine that an alternative procedure or treatment is more appropriate than the requested service, You may appeal Our decision through an internal Appeal or external appeal. See the Utilization Review and External Appeal sections of this Certificate for Your right to an internal Appeal and external appeal.

K. Medical Management.

The benefits available to You under this Certificate may be subject to pre-service, concurrent and retrospective reviews to determine when services should be Covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are

performed. Covered Services must be Medically Necessary for benefits to be provided.

L. Medical Necessity.

We Cover certain benefits described in this Certificate as long as the dental service, procedure, treatment, test, device, or supply (collectively, “service”) is Medically Necessary (e.g., anesthesia). The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your dental records;
- Our dental policies and clinical guidelines;
- Medical and/or dental opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed medical and/or dental literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment;
- The opinion of health care professionals in the generally-recognized health specialty involved;
- The opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of dental practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting.

See the Utilization Review and External Appeal sections of this Certificate for Your right to an internal Appeal and external appeal of Our determination that a service is not Medically Necessary.

SECTION III. Access to Care and Transitional Care

A. Referral to a Non-Participating Provider.

If We determine that We do not have a Participating Provider that has the appropriate training and experience to treat Your condition, We will approve a Referral to an appropriate Non-Participating Provider. Your Participating Provider or You must request prior approval of the Referral to a specific Non-Participating Provider. Approvals of Referrals to Non-Participating Providers will not be made for the convenience of You or another treating Provider and may not necessarily be to the specific Non-Participating Provider You requested. If We approve the Referral, all services performed by the Non-Participating Provider are subject to a treatment plan approved by Us in consultation with Your PCD, the Non-Participating Provider and You. Covered Services rendered by the Non-Participating Provider will be covered as if they were provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing. In the event a Referral is not approved, any services rendered by a Non-Participating Provider will not be Covered.

B. When a Specialist Can Be Your Primary Care Dentist.

If You have a life-threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may ask that a Specialist who is a Participating Provider be Your PCD. We will consult with the Specialist and Your PCD and decide

whether the Specialist should be Your PCD. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCD, the Specialist and You. We will not approve a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing.

C. Standing Referral to a Participating Specialist.

If You need ongoing specialty care, You may receive a “standing Referral” to a Specialist who is a Participating Provider. This means that You will not need a new Referral from Your PCD every time You need to see that Specialist. We will consult with the Specialist and Your PCD and decide whether You should have a standing Referral. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCD, the Specialist and You. The treatment plan may limit the number of visits, or the period during which the visits are authorized and may require the Specialist to provide Your PCD with regular updates on the specialty care provided as well as all necessary medical information. We will not approve a standing Referral to a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a standing Referral to a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

D. When Your Provider Leaves the Network.

If You are in an ongoing course of treatment when Your Provider leaves Our network, then You may continue to receive Covered Services for the ongoing treatment from the former Participating Provider for up to 90 days from the date Your Provider’s contractual obligation to provide services to You terminates.

The Provider must accept as payment the negotiated fee that was in effect just prior to the termination of Our relationship with the Provider. The Provider must also provide Us necessary medical information related to Your care and adhere to Our policies and procedures, including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable Cost-Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the

Provider’s ability to practice, continued treatment with that Provider is not available.

E. New Members In a Course of Treatment.

If You are in an ongoing course of treatment with a Non-Participating Provider when Your coverage under this Certificate becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non-Participating Provider for up to 60 days from the effective date of Your coverage under this Certificate. This course of treatment must be for a life-threatening disease or condition or a degenerative and disabling condition or disease.

In order for You to continue to receive Covered Services for up to 60 days, the Non-Participating Provider must agree to accept as payment Our fees for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing.

F. New Members In a Course of Treatment Transferring to a Participating Provider.

You may choose to have a Participating Provider complete an inlay, onlay, crown, fixed bridge, denture, root canal or orthodontic service which is: 1) Covered by this Certificate and 2) started but not completed prior to Your coverage beginning under this Certificate. You are responsible to identify and transfer to a Participating Provider willing to complete the procedure for the amount agreed upon by Us and the Participating Provider.

SECTION IV. Cost-Sharing Expenses and Allowed Amount

A. Deductible.

There is no Deductible for Covered Services under this Certificate during each Plan Year.

B. Copayments.

There are no Copayments for Covered Services under this Certificate.

C. Allowed Amount. “Allowed Amount” means the maximum amount We will pay for the services or supplies Covered under this Certificate, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted. We determine Our Allowed Amount as follows:

The Allowed Amount for Participating Providers will be the amount We have negotiated with the Participating Provider.

Our payments to Participating Providers may include financial incentives to help improve the quality of care and promote the delivery of Covered Services in a cost-efficient manner.

Payments under this financial incentive program are not made as payment for a specific Covered Service provided to You. Your Cost-Sharing will not change based on any payments made to or received from Participating Providers as part of the financial incentive program.

D. Out-of-Pocket Limit.

This Certificate does not have an Out-of-Pocket Limit.

SECTION V. Who is Covered

A. Who is Covered Under this Certificate.

You, the Subscriber to whom this Certificate is issued, are covered under this Certificate. Members of Your family may also be covered depending upon the type of coverage You selected.

B. Types of Coverage.

We offer the following types of coverage:

1. **Individual.** If You selected individual coverage, then You are covered.
2. **Individual and Spouse.** If You selected individual and Spouse coverage, then You and Your Spouse are covered.
3. **Parent and Child/Children.** If You selected parent and child/children coverage, then You and Your Child or Children, as described below, are covered.
4. **Family.** If You selected family coverage, then You and Your Spouse and Your Child or Children, as described below, are covered.

C. Children Covered Under this Certificate.

If You selected parent and child/children or family coverage, Children covered under this Certificate include Your natural Children, legally adopted Children, step Children, and Children for whom You are the proposed adoptive parent without regard to financial dependence, residency with You, student status or employment. A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the

Child’s adoption. Coverage lasts until the end of the month in which the Child turns 26 years of age. Coverage also includes Children for whom You are a legal guardian if the Children are chiefly dependent upon You for support and You have been appointed the legal guardian by a court order.

Coverage shall continue for a Child who is a full-time student when the Child takes a medical leave of absence from school due to illness for a period of 12 months from the last day of attendance in school. However, coverage of the Child is not provided beyond the age at which coverage would otherwise terminate. To qualify for such coverage, We may require that the leave be certified as Medically Necessary by the Child’s Physician who is licensed to practice in the state of New York.

Any unmarried dependent Child, regardless of age, who is incapable of self-sustaining employment by reason of mental illness, developmental disability, mental retardation (as defined in the New York Mental Hygiene Law), or physical handicap and who became so incapable prior to attainment of the age at which the Child’s coverage would otherwise terminate and who is chiefly dependent upon You for support and maintenance, will remain covered while Your insurance remains in force and Your Child remains in such condition. You have 31 days from the date of Your Child’s attainment of the termination age to submit an application to request that the Child be included in Your coverage and proof of the Child’s incapacity. We have the right to check whether a Child is qualified and continues to qualify under this section.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Subscriber and all other prospective or covered Members in relation to eligibility for coverage under this Certificate at any time.

D. When Coverage Begins.

Coverage under this Certificate will begin as follows:

1. If You, the Subscriber, elect coverage before becoming eligible, or within 30 days of becoming eligible for other than a special enrollment period, coverage begins on the date You become eligible, or on the date determined by Your Group.
2. If You, the Subscriber, do not elect coverage upon becoming eligible or within 30 days of becoming eligible for other than a special enrollment period, You must wait until the Group’s next open enrollment period to enroll, except as provided below.
3. If You, the Subscriber, marry while covered, and We receive notice of such marriage and Premium payment within 30 days thereafter, coverage for Your Spouse and Child starts on the first day of the following month after We receive Your application. If We do not receive notice

within 30 days of the marriage, You must wait until the Group's next open enrollment period to add Your Spouse or Child.

4. If You, the Subscriber, have a newborn or adopted newborn Child and We receive notice of such birth within 30 days thereafter, coverage for Your newborn starts at the moment of birth; otherwise, coverage begins on the date on which We receive notice. Your adopted newborn Child will be covered from the moment of birth if You take physical custody of the infant as soon as the infant is released from the Hospital after birth and You file a petition pursuant to Section 115-c of the New York Domestic Relations Law within 30 days of the infant's birth; and provided further that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoption has not been revoked. If You have individual or individual and Spouse coverage, You must also notify Us of Your desire to switch to parent and child/children or family coverage and pay any additional Premium within 30 days of the birth or adoption in order for coverage to start at the moment of birth. Otherwise, coverage begins on the date on which We receive notice, provided that You pay any additional Premium when due.

E. Special Enrollment Periods.

You, Your Spouse or Child can also enroll for coverage within 30 days of the loss of coverage in another group dental plan if coverage was terminated because You, Your Spouse or Child are no longer eligible for coverage under the other group dental plan due to:

1. Termination of employment;
2. Termination of the other group dental plan;
3. Death of the Spouse;
4. Legal separation, divorce or annulment;
5. Reduction of hours of employment;
6. Employer contributions towards the group dental plan were terminated for You or Your Dependents's coverage; or
7. A Child no longer qualifies for coverage as a Child under the other group dental plan.

You, Your Spouse or Child can also enroll 30 days from exhaustion of Your COBRA coverage or if You gain a Dependent or become a Dependent through marriage, birth, adoption, or placement for adoption.

We must receive notice and Premium payment within 30 days of one of these events. Your coverage will begin on the first day of the following month after We receive Your application. If You gain a Dependent or become a Dependent due to a

birth, adoption, or placement for adoption, Your coverage will begin on the date of the birth, adoption or placement for adoption.

In addition, You, Your Spouse or Child, can also enroll for coverage within 60 days of the occurrence of one of the following events:

8. You or Your Spouse or Child loses eligibility for a state child dental plan; or
9. You or Your Spouse or Child becomes eligible for a state child dental plan.

We must receive notice and Premium payment within 60 days of one of these events. Your coverage will begin on the first day of the following month after We receive Your application.

SECTION VI. Covered Services

Please refer to the Schedule of Benefits issued with this Certificate for Cost-Sharing requirements, day or visit limits, and any Preauthorization or Referral requirements that apply to these benefits.

SECTION VII. Exclusions and Limitations

No coverage is available under this Certificate for the following:

A. Cosmetic Services.

We do not Cover cosmetic services or surgery unless otherwise specified, except that cosmetic surgery shall not include reconstructive surgery when such service is incidental to or follows surgery resulting from trauma, infection or diseases of the involved part, and reconstructive surgery because of congenital disease or anomaly of a covered Child which has resulted in a functional defect, except for orthodontics as described in the Covered Services section of this Certificate.

Cosmetic surgery does not include surgery determined to be Medically Necessary. If a claim for a procedure listed in 11 NYCRR 56 (e.g., certain plastic surgery and dermatology procedures) is submitted retrospectively and without medical information, any denial will not be subject to the Utilization Review process in the Utilization Review and External Appeal sections of this Certificate unless medical information is submitted.

B. Coverage Outside of the United States, Canada or Mexico.

We do not Cover care or treatment provided outside of the United States, its possessions, Canada or Mexico except for Emergency Dental Care as described in the dental care section of this Certificate.

C. Experimental or Investigational Treatment.

We do not Cover any health care service, procedure, treatment, or device that is experimental or investigational. However, We will Cover experimental or investigational treatments, including treatment for Your rare disease or patient costs for Your participation in a clinical trial, when Our denial of services is overturned by an External Appeal Agent certified by the State. However, for clinical trials, We will not Cover the costs of any investigational drugs or devices, non-health services required for You to receive the treatment, the costs of managing the research, or costs that would not be Covered under this Certificate for non-investigational treatments. See the Utilization Review and External Appeal sections of this Certificate for a further explanation of Your Appeal rights.

D. Felony Participation.

We do not Cover any illness, treatment or medical condition due to Your participation in a felony, riot or insurrection.

E. Government Facility.

SECTION VIII. Claim Determinations

A claim is a request that benefits or services be provided or paid according to the terms of this Certificate. You or the Provider must file a claim form with Us. If the Provider is not willing to file the claim form, You will need to file it with Us

B. Notice of Claim.

Claims for services must include all information designated by Us as necessary to process the claim, including, but not limited to: Member identification number; name; date of birth; date of service; type of service; the charge for each service;

procedure code for the service as applicable; diagnosis code; name and address of the Provider making the charge; and supporting medical records, when necessary. A claim that fails to contain all necessary information will not be accepted and must be resubmitted with all necessary information. Claim forms are available from Us by calling the number on Your ID card or visiting Our website at www.cigna.com. Completed claim forms should be sent to the address on Your ID card. You may also submit a claim to Us electronically by visiting Our website at www.cigna.com.

C. Timeframe for Filing Claims.

Claims for services must be submitted to Us for payment within 12 months after You receive the services for which payment is being requested. If it is not reasonably possible to submit a claim within the 12-month period, You must submit it as soon as reasonably possible.

D. Claims for Prohibited Referrals.

We are not required to pay any claim, bill or other demand or request by a Provider for clinical laboratory services, pharmacy services, radiation therapy services, physical therapy services or x-ray or imaging services furnished pursuant to a referral by Section 238-a(1) of the New York Public Health Law.

E. Claim Determinations.

Our claim determination procedure applies to all claims that do not relate to a medical necessity or experimental or investigational determination. For example, Our claim determination procedure applies to contractual benefit denials and Referrals. If You disagree with Our claim determination, You may submit a Grievance pursuant to the Grievance Procedures section of this Certificate.

For a description of the Utilization Review procedures and Appeal process for medical necessity or experimental or investigational determinations, see the Utilization Review and External Appeal sections of this Certificate.

F. Pre-Service Claim Determinations.

1. A pre-service claim is a request that a service or treatment be approved before it has been received. If We have all the information necessary to make a determination regarding a pre-service claim (e.g., a covered benefit determination or Referral), We will make a determination and provide notice to You (or Your designee) within 15 days from receipt of the claim.

If We need additional information, We will request it within 15 days from receipt of the claim. You will have 45 calendar days to submit the information. If We receive the information within 45 days, We will make a determination and provide notice to You (or Your designee) in writing,

within 15 days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the end of the 45-day period.

2. **Urgent Pre-Service Reviews.** With respect to urgent pre-service requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) by telephone, within 72 hours of receipt of the request. Written notice will follow within three (3) calendar days of the decision. If We need additional information, We will request it within 24 hours. You will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) by telephone within 48 hours of the earlier of Our receipt of the information or the end of the 48-hour period. Written notice will follow within three (3) calendar days of the decision.

G. Post-Service Claim Determinations.

A post-service claim is a request for a service or treatment that You have already received. If We have all information necessary to make a determination regarding a post-service claim, We will make a determination and notify You (or Your designee) within 30 calendar days of the receipt of the claim if We deny the claim in whole or in part. If We need additional information, We will request it within 30 calendar days. You will then have 45 calendar days to provide the information. We will make a determination and provide notice to You (or Your designee) in writing within 15 calendar days of the earlier of Our receipt of the information or the end of the 45-day period if We deny the claim in whole or in part.

H. Payment of Claims.

Where Our obligation to pay a claim is reasonably clear, We will pay the claim within 30 days of receipt of the claim (when submitted through the internet or e-mail) and 45 days of receipt of the claim (when submitted through other means, including paper or fax). If We request additional information, We will pay the claim within 30 days (for claims submitted through the internet or e-mail) or 45 days (for claims submitted through other means, including paper or fax) of receipt of the information.

SECTION IX. Grievance Procedures

A. Grievances.

Our Grievance procedure applies to any issue not relating to a Medical Necessity or experimental or investigational determination by Us. For example, it applies to contractual

benefit denials or issues or concerns You have regarding Our administrative policies or access to Providers.

B. Filing a Grievance.

You can contact Us by phone at the number on Your ID card or in writing to the address that appears on Your explanation of benefits. You or Your designee has up to 180 calendar days from when You received the decision You are asking Us to review to file the Grievance.

When We receive Your Grievance, We will mail an acknowledgment letter within 15 business days. The acknowledgment letter will include the name, address, and telephone number of the person handling Your Grievance, and indicate what additional information, if any, must be provided.

We keep all requests and discussions confidential and We will take no discriminatory action because of Your issue. We have a process for both standard and expedited Grievances, depending on the nature of Your inquiry.

You may ask that We send You electronic notification of a Grievance or Grievance Appeal determination instead of notice in writing or by telephone. You must tell Us in advance if You want to receive electronic notifications. To opt into electronic notifications, call the number on Your ID card or visit Our website at www.cigna.com. You can opt out of electronic notifications at any time.

C. Grievance Determination.

Qualified personnel will review Your Grievance, or if it is a clinical matter, a licensed, certified or registered health care professional will look into it. We will decide the Grievance and notify You within the following timeframes:

Expedited/Urgent Grievances:

By phone, within the earlier of 48 hours of receipt of all necessary information or 72 hours of receipt of Your Grievance. Written notice will be provided within 72 hours of receipt of Your Grievance.

Pre-Service Grievances:

(A request for a service or treatment that has not yet been provided.)

In writing, within 15 calendar days of receipt of Your Grievance.

Post-Service Grievances:

(A claim for a service or treatment that has already been provided.)

In writing, within 30 calendar days of receipt of Your Grievance.

All Other Grievances:

(That are not in relation to a claim or request for a service or treatment.)

In writing, within 45 calendar days of receipt of all necessary information.

D. Grievance Appeals.

If You are not satisfied with the resolution of Your Grievance, You or Your designee may file an Appeal by phone at the number on Your ID card or in writing. However, Urgent Appeals may be filed by phone. You have up to 60 business days from receipt of the Grievance determination to file an Appeal.

When We receive Your Appeal, We will mail an acknowledgment letter within 15 business days. The acknowledgement letter will include the name, address, and telephone number of the person handling Your Appeal and indicate what additional information, if any, must be provided.

One or more qualified personnel at a higher level than the personnel that rendered the Grievance determination will review it, or if it is a clinical matter, a clinical peer reviewer will look into it. We will decide the Appeal and notify You in writing within the following timeframes:

Expedited/Urgent Grievances: The earlier of two (2) business days of receipt of all necessary information or 72 hours of receipt of Your Appeal.

Pre-Service Grievances: 15 calendar days of receipt of Your Appeal.
(A request for a service or treatment that has not yet been provided.)

Post-Service Grievances: 30 calendar days of receipt of Your Appeal.
(A claim for a service or treatment that has already been provided.)

All Other Grievances: (That are not in relation to a claim or request for a service or treatment.) 30 business days of receipt of all necessary information to make a determination

SECTION X. Utilization Review

A. Utilization Review.

We review health services to determine whether the services are or were Medically Necessary or experimental or

investigational ("Medically Necessary"). This process is called Utilization Review. Utilization Review includes all review activities, whether they take place prior to the service being performed (Preauthorization); when the service is being performed (concurrent); or after the service is performed (retrospective). If You have any questions about the Utilization Review process, please call the number on Your ID card. The toll-free telephone number is available at least 40 hours a week with an after-hours answering machine.

All determinations that services are not Medically Necessary will be made by: 1) licensed Physicians; or 2) licensed, certified, registered or credentialed health care professionals who are in the same profession and same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review. We do not compensate or provide financial incentives to Our employees or reviewers for determining that services are not Medically Necessary. We have developed guidelines and protocols to assist Us in this process. Specific guidelines and protocols are available for Your review upon request. For more information, call the number on Your ID card or visit Our website at www.cigna.com.

You may ask that We send You electronic notification of a Utilization Review determination instead of notice in writing or by telephone. You must tell Us in advance if You want to receive electronic notifications. To opt into electronic notifications, call the number on Your ID card or visit Our website at www.cigna.com. You can opt out of electronic notifications at any time.

B. Preauthorization Reviews.

1. Non-Urgent Preauthorization Reviews. If We have all the information necessary to make a determination regarding a Preauthorization review, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of receipt of the request.

If We need additional information, We will request it within three (3) business days. You or Your Provider will then have 45 calendar days to submit the information. If We receive the requested information within 45 days, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the earlier of receipt of part of the requested information or the end of the 45-day period.

2. Urgent Preauthorization Reviews. With respect to urgent Preauthorization requests, if We have all information necessary to make a determination, We will

make a determination and provide notice to You (or Your designee) and Your Provider, by telephone, within 72 hours of receipt of the request. Written notice will be provided within three (3) business days of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 48 hours of the earlier of Our receipt of the information or the end of the 48 hour period. Written notification will be provided within the earlier of three (3) business days of Our receipt of the information or three (3) calendar days after the verbal notification.

C. Concurrent Reviews.

1. Non-Urgent Concurrent Reviews. Utilization Review decisions for services during the course of care (concurrent reviews) will be made, and notice provided to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of all necessary information. If We need additional information, We will request it within one (1) business day. You or Your Provider will then have 45 calendar days to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of Our receipt of the information or, if We do not receive the information, within the earlier of 15 calendar days of the receipt of part of the requested information or 15 calendar days of the end of the 45-day period.

2. Urgent Concurrent Reviews. For concurrent reviews that involve an extension of urgent care, if the request for coverage is made at least 24 hours prior to the expiration of a previously approved treatment, We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 24 hours of receipt of the request. Written notice will be provided within one (1) business day of receipt of the request.

If the request for coverage is not made at least 24 hours prior to the expiration of a previously approved treatment and We have all the information necessary to make a determination, We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of 72 hours or of one (1) business day of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and

provide written notice to You (or Your designee) and Your Provider within the earlier of one (1) business day or 48 hours of Our receipt of the information or, if We do not receive the information, within 48 hours of the end of the 48-hour period.

D. Retrospective Reviews.

If We have all information necessary to make a determination regarding a retrospective claim, We will make a determination and notify You within 30 calendar days of the receipt of the request. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You in writing within 15 calendar days of the earlier of Our receipt of all or part of the requested information or the end of the 45-day period.

Once We have all the information to make a decision, Our failure to make a Utilization Review determination within the applicable time frames set forth above will be deemed an adverse determination subject to an internal Appeal.

E. Retrospective Review of Preauthorized Services.

We may only reverse a preauthorized treatment, service or procedure on retrospective review when:

- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;
- The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
- We were not aware of the existence of such information at the time of the Preauthorization review; and
- Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.

F. Reconsideration.

If We did not attempt to consult with Your Provider who recommended the Covered Service before making an adverse determination, the Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination or a designated clinical peer reviewer if the original clinical peer reviewer is unavailable. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

G. Utilization Review Internal Appeals.

You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will if necessary, inform You of any additional information needed before a decision can be made. The Appeal will be decided by a clinical peer reviewer who is not subordinate to the clinical peer reviewer who made the initial adverse determination and who is 1) a Physician or 2) a health care professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue.

1. Out-of-Network Service Denial. You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. For a Utilization Review Appeal of denial of an out-of-network health service, You, or Your designee, must submit:

- A written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested out-of-network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
- Two (2) documents from the available medical and scientific evidence that the out-of-network service: 1) is likely to be more clinically beneficial to You than the alternate in-network service; and 2) that the adverse risk of the out-of-network service would likely not be substantially increased over the in-network health service.

2. Out-of-Network Referral Denial. You also have the right to Appeal the denial of a request for a Referral to a Non-Participating Provider when We determine that We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service. For a Utilization Review Appeal of an out-of-network Referral denial, You or Your designee must submit a written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician

qualified to practice in the specialty area of practice appropriate to treat Your condition:

- That the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs for the health care service; and
- Recommending a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

H. Standard Appeal.

- 1. Preauthorization Appeal.** If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.
- 2. Retrospective Appeal.** If Your Appeal relates to a retrospective claim, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.
- 3. Expedited Appeal.** An Appeal of a review of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, or any other urgent matter will be handled on an expedited basis. An expedited Appeal is not available for retrospective reviews. For an expedited Appeal, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one (1) business day of receipt of the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by telephone or fax. An expedited Appeal will be determined within the earlier of 72 hours of receipt of the Appeal or two (2) business days of receipt of the information necessary to conduct the Appeal.

If You are not satisfied with the resolution of Your expedited Appeal, You may file a standard internal Appeal or an external Appeal.

Our failure to render a determination of Your Appeal within 30 calendar days of receipt of the necessary information for a standard Appeal or within two (2)

business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.

I. Full and Fair Review of an Appeal.

We will provide You, free of charge, with any new or additional evidence considered, relied upon, or generated by Us or any new or additional rationale in connection with Your Appeal. The evidence or rationale will be provided as soon as possible and sufficiently in advance of the date on which the notice of final adverse determination is required to be provided to give You a reasonable opportunity to respond prior to that date.

SECTION XI. External Appeal

A. Your Right to an External Appeal.

In some cases, You have a right to an external appeal of a denial of coverage. If We have denied coverage on the basis that a service is not Medically Necessary (including appropriateness, health care setting, level of care or effectiveness of a Covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases); or is an out-of-network treatment, You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two (2) requirements:

- The service, procedure, or treatment must otherwise be a Covered Service under this Certificate; and
- In general, You must have received a final adverse determination through Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through Our internal Appeal process if:
 - We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or

- You file an external appeal at the same time as You apply for an expedited internal Appeal; or
- We fail to adhere to Utilization Review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

B. Your Right to Appeal a Determination that a Service is Not Medically Necessary.

If We have denied coverage on the basis that the service is not Medically Necessary, You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in paragraph “A” above.

C. Your Right to Appeal a Determination that a Service is Experimental or Investigational.

If We have denied coverage on the basis that the service is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You must satisfy the two (2) requirements for an external appeal in paragraph “A” above and Your attending Physician must certify that Your condition or disease is one for which:

1. Standard health services are ineffective or medically inappropriate; or
2. There does not exist a more beneficial standard service or procedure Covered by Us; or
3. There exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one (1) of the following:

1. A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service (only certain documents will be considered in support of this recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or
2. A clinical trial for which You are eligible (only certain clinical trials can be considered); or
3. A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition

is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network or that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

D. Your Right to Appeal a Determination that a Service is Out-of-Network.

If We have denied coverage of an out-of-network treatment because it is not materially different than the health service available in-network, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph “A” above, and You have requested Preauthorization for the out-of-network treatment.

In addition, Your attending Physician must certify that the out-of-network service is materially different from the alternate recommended in-network health service, and based on two (2) documents from available medical and scientific evidence, is likely to be more clinically beneficial than the alternate in-network treatment and that the adverse risk of the requested health service would likely not be substantially increased over the alternate in-network health service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

E. Your Right to Appeal an Out-of-Network Referral Denial to a Non-Participating Provider.

If We have denied coverage of a request for a Referral to a Non-Participating Provider because We determine We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph “A” above.

In addition, Your attending Physician must: 1) certify that the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs; and 2) recommend a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

F. The External Appeal Process.

You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited external appeal (described below), We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2) business days.

If Your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to Your health; or if Your attending Physician certifies that the standard external appeal time frame would seriously jeopardize Your life, health or ability to regain maximum function; or if You received emergency services and have not been discharged from a facility and the denial concerns an admission, availability of care, or continued stay, You may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within 72 hours of receipt of Your completed application. Immediately after reaching a decision, the External Appeal Agent must notify You and Us by telephone or facsimile of that decision. The External Appeal Agent must also notify You in writing of its decision.

If the External Appeal Agent overturns Our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment, We will provide coverage subject to the other terms and conditions of this Certificate. Please note that if the External Appeal Agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, We will only Cover the cost of services required to provide treatment to You according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing the research, or costs that would not be Covered under this Certificate for non-investigational treatments provided in the clinical trial.

The External Appeal Agent's decision is binding on both You and Us. The External Appeal Agent's decision is admissible in any court proceeding.

G. Your Responsibilities.

It is Your responsibility to start the external appeal process. You may start the external appeal process by filing a completed application with the New York State Department of Financial Services. You may appoint a representative to assist You with Your application; however, the Department of Financial Services may contact You and request that You confirm in writing that You have appointed the representative.

Under New York State law, Your completed request for external appeal must be filed within four (4) months of either the date upon which You receive a final adverse determination, or the date upon which You receive a written waiver of any internal Appeal,

or Our failure to adhere to claim processing requirements. We have no authority to extend this deadline.

SECTION XII. Coordination of Benefits

This section applies when you also have group dental coverage with another plan. When You receive a Covered service, We will coordinate benefit payments with any payment made by another plan. The primary plan will pay its full benefits and the other plan may pay secondary benefits, if necessary, to cover some or all of the remaining expenses. This coordination prevents duplicate payments and overpayments.

A. Definitions.

1. **“Allowable expense”** is the necessary, reasonable, and customary item of expense for specialty dental care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a plan provides benefits in the form of

services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid.

2. **“Plan”** is other group dental coverage with which We will coordinate benefits. The term “plan” includes:

- Group dental benefits and blanket or group remittance dental benefits coverage, whether insured, self-insured, or self-funded. This includes group HMO and other prepaid group coverage, but does not include blanket school accident coverage or coverages issued to a substantially similar group (e.g., Girl Scouts, Boy Scouts) where the school or organization pays the premiums.
- Dental benefits coverage, in group and individual automobile “no-fault” and traditional liability “fault” type contracts.
- Dental benefits coverage of a governmental plan offered, required, or provided by law, except Medicaid or any other plan whose benefits are by law excess to any private benefits coverage.

3. **“Primary plan”** is one whose benefits must be determined without taking the existence of any other plan into consideration. A plan is primary if either: 1) the plan has no order of benefits rules or its rules differ from those required by regulation; or 2) all plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for example, two plans which have no order of benefit determination rules).

4. **“Secondary plan”** is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in relation to each other.

B. Rules to Determine Order of Payment.

The first of the rules listed below in paragraphs 1-6 that applies will determine which plan will be primary:

1. If the other plan does not have a provision similar to this one, then the other plan will be primary.
2. If the person receiving benefits is the Subscriber and is only covered as a Dependent under the other plan, this Certificate will be primary.
3. If a child is covered under the plans of both parents and the parents are not separated or divorced, the plan of the parent whose birthday falls earlier in the year shall be primary. If both parents have the same birthday, the plan which covered the parent longer will be primary. To determine whose birthday falls earlier in the year, only the month and day are considered. However, if the other plan does not have this birthday rule, but instead has a rule based on the sex of the parent and as a result the plans do not agree on which is

primary, then the rule in the other plan will determine which plan is primary.

4. If a child is covered by both parents' plans, the parents are separated or divorced, and there is no court decree between the parents that establishes financial responsibility for the child's dental care expenses:
 - The plan of the parent who has custody will be primary;
 - If the parent with custody has remarried, and the child is also covered as a child under the step-parent's plan, the plan of the parent with custody will pay first, the step-parent's plan will pay second, and the plan of the parent without custody will pay third; and
 - If a court decree between the parents says which parent is responsible for the child's dental care expenses, then that parent's plan will be primary if that plan has actual knowledge of the decree.
5. If the person receiving services is covered under one plan as an active employee or member (i.e., not laid-off or retired), or as the spouse or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the spouse or child of such a laid-off or retired employee, the plan that covers such person as an active employee or spouse or child of an active employee will be primary. If the other plan does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.
6. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

C. Effects of Coordination.

When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Our maximum available benefit for each Covered Service. Also, the amount We pay will not be more than the amount We would pay if We were primary. As each claim is submitted, We will determine Our obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the claim determination period.

D. Right to Receive and Release Necessary Information.

We may release or receive information that We need to coordinate benefits. We do not need to tell anyone or receive consent to do this. We are not responsible to anyone for releasing or obtaining this information. You must give Us any needed information for coordination purposes, in the time frame requested.

E. Our Right to Recover Overpayment.

If We made a payment as a primary plan, You agree to pay Us any amount by which We should have reduced Our payment. Also, We may recover any overpayment from the primary plan or the Provider receiving payment and You agree to sign all documents necessary to help Us recover any overpayment.

F. Coordination with "Always Excess," "Always Secondary," or "Non-Complying" Plans.

We will coordinate benefits with plans, whether insured or self-insured, that provide benefits that are stated to be always excess or always secondary or use order of benefit determination rules that are inconsistent with the rules described above in the following manner:

1. If this Certificate is primary, as defined in this section, We will pay benefits first.
2. If this Certificate is secondary, as defined in this section, We will pay only the amount We would pay as the secondary insurer.
3. If We request information from a non-complying plan and do not receive it within 30 days, We will calculate the amount We should pay on the assumption that the non-complying plan and this Certificate provide identical benefits. When the information is received, We will make any necessary adjustments.

SECTION XIII. Termination of Coverage

Coverage under this Certificate will automatically be terminated on the first of the following to apply:

1. The Group and/or Subscriber has failed to pay Premiums within 30 days of when Premiums are due. Coverage will terminate as of the last day for which Premiums were paid.
2. The date on which the Subscriber ceases to meet the eligibility requirements as defined by the Group. We will provide written notice to the Subscriber at least 30 days prior to when the coverage will cease.
3. Upon the Subscriber's death, coverage will terminate unless the Subscriber has coverage for Dependents. If the Subscriber has coverage for Dependents, then coverage will terminate as of the last day of the month for which the Premium has been paid.
4. For Spouses in cases of divorce, the date of the divorce.
5. For Children, until the end of the month in which the Child turns 26 years of age.
6. For all other Dependents, the end of the month in which the Dependent ceases to be eligible.

7. The end of the month following the Group's provision of written notice of termination of coverage to Us; or on such later termination date requested by the Group's notice.
8. If the Subscriber or the Subscriber's Dependent has performed an act that constitutes fraud or has made a misrepresentation of material fact in writing on his/her enrollment application, or in order to obtain coverage for a service, coverage will terminate immediately upon written notice of termination delivered by Us to the Subscriber and/or the Subscriber's Dependent. However, if the Subscriber makes an intentional misrepresentation of material fact in writing on his or her enrollment application we will rescind coverage if the facts misrepresented would have led Us to refuse to issue the coverage. Rescission means that the termination of Your coverage will have a retroactive effect of up to one (1) year; Your enrollment under the Certificate. If termination is a result of the Subscriber's action, coverage will terminate for the Subscriber and any Dependents. If termination is a result of the Dependent's action, coverage will terminate for the Dependent.
9. The date that the Group Policy is terminated. If We decide to stop offering a particular class of group policies, without regard to claims experience or health related status, to which this Certificate belongs, We will provide the Group and Subscribers at least 90 days' prior written notice.
10. The Group has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage.
11. The Group has failed to comply with a material plan provision relating to group participation rules. We will provide written notice to the Group at least 30 days prior to when the coverage will cease.
12. The Group ceases to meet the statutory requirements to be defined as a group for the purposes of obtaining coverage. We will provide written notice to the Group and Subscriber at least 30 days prior to when the coverage will cease.

No termination shall prejudice the right to a claim for benefits which arose prior to such termination.

See the Continuation of Coverage section of this Certificate for Your right to continuation of this coverage under COBRA or USERRA.

SECTION XIV. Extension of Benefits

Upon termination of insurance, whether due to termination of eligibility, or termination of the Certificate, an extension of benefits shall be provided for a period of no less than 30 days

for completion of a dental procedure that was started before Your coverage ended.

SECTION XV. Continuation of Coverage

Under the continuation of coverage provisions of the federal Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"), most employer-sponsored group health plans must offer employees and their families the opportunity for a temporary continuation of health insurance coverage when their coverage would otherwise end. Call or write Your employer to find out if You are entitled to temporary continuation of coverage under COBRA. Any period of continuation of coverage will terminate automatically at the end of the period of continuation provided under COBRA.

Qualifying Events.

Pursuant to federal COBRA, You, the Subscriber, Your Spouse and Your Children may be able to temporarily continue coverage under this Certificate in certain situations when You would otherwise lose coverage, known as qualifying events.

1. If Your coverage ends due to voluntary or involuntary termination of employment or a change in Your employee class (e.g., a reduction in the number of hours of employment) You may continue coverage. Coverage may be continued for You, Your Spouse and any of Your covered Children.
2. If You are a covered Spouse, You may continue coverage if Your coverage ends due to:
 - Voluntary or involuntary termination of the Subscriber's employment;
 - Reduction in the hours worked by the Subscriber or other change in the Subscriber's class;
 - Divorce or legal separation from the Subscriber;
 - Death of the Subscriber; or
 - The covered employee becoming entitled to Medicare.
3. If You are a covered Child, You may continue coverage if Your coverage ends due to:
 - Voluntary or involuntary termination of the Subscriber's employment;
 - Reduction in the hours worked by the Subscriber or other change in the Subscriber's class;
 - Loss of covered Child status under the plan rules;
 - Death of the Subscriber; or
 - The covered employee becoming entitled to Medicare.

If You want to continue coverage You must request continuation from the Group in writing and make the first Premium payment within the 60-day period following the later of:

1. The date coverage would otherwise terminate; or
2. The date You are sent notice by first class mail of the right of continuation by the Group.

The Group may charge up to 102% of the Group Premium for continued coverage.

Continued coverage under this section will terminate at the earliest of the following:

1. The date 18 months after the Subscriber's coverage would have terminated because of termination of employment; provided that the Subscriber or their dependents may continue for a total of 29 months if the Member is determined to be disabled under the United States Social Security Act;
2. If You are a covered Spouse or Child, the date 36 months after coverage would have terminated due to the death of the Subscriber, divorce or legal separation, the Subscriber's eligibility for Medicare, or the failure to qualify under the definition of "Children";
3. The date You become covered by an insured or uninsured arrangement that provides group hospital, surgical or medical coverage;
4. The date You become entitled to Medicare;
5. The date to which Premiums are paid if You fail to make a timely payment; or
6. The date the Group Policy terminates. However, if the Group Policy is replaced with similar coverage, You have the right to become covered under the new Group Policy for the balance of the period remaining for Your continued coverage.

Continuation Rights During Active Duty

Under the Uniformed Services Employment and Reemployment Rights Act ("USERRA"), most employer-sponsored group health plans must offer employees and their families the opportunity for a temporary continuation of health insurance coverage when their coverage would otherwise end due to service in the uniformed services or upon becoming eligible for medical and dental care under federal health insurance by reason of their service. Call or write Your Group to find out if You are entitled to temporary continuation of coverage under USERRA.

The Group may charge up to 102% of the Group Premium for continued coverage. This does not apply if You or Your dependents serve less than 31 days.

Continued coverage under this section will terminate at the earliest of the following:

1. The 24-month period beginning on the date on which the absence begins; or
2. The day after the date on which You or Your Dependent fail to apply for or return to a position of employment.

An exclusion or waiting period may not be imposed in connection with the reinstatement of coverage upon reemployment unless an exclusion or waiting period would have been imposed under the health plan had coverage not been terminated.

1. This shall not apply to the coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, performance of service in the uniformed services.

If You or Your Dependent's coverage under a health plan is terminated by reason of the person having become eligible for federal health insurance for former members of the uniformed services and their dependents, but subsequently do not commence a period of active duty under the order to active duty that established such eligibility because the order is canceled before such active duty commences, any exclusion or waiting period in connection with the reinstatement of coverage shall apply to the continued employment in the same manner as if You or Your Dependents had become reemployed upon such termination of eligibility.

SECTION XVI. General Provisions

Agreements between Us and Participating Providers.

Any agreement between Us and Participating Providers may only be terminated by Us or the Providers. This Certificate does not require any Provider to accept a Member as a patient. We do not guarantee a Member's admission to any Participating Provider or any dental benefits program.

Assignment.

You cannot assign any benefits under this Certificate or legal claims based on a denial of benefits or request for plan documents to any person, corporation, or other organization. Any assignment of benefits or legal claims based on a denial of benefits or request for plan documents by You will be void and unenforceable.

Assignment means the transfer to another person, corporation or organization of Your right to the services provided under this Certificate or Your right to sue based on a denial of benefits or request for plan documents. However, You may request Us to make payment for services directly to Your Provider instead of You. Nothing in this paragraph shall affect

Your right to appoint a designee or representative as otherwise permitted by applicable law.

Changes in this Certificate.

We may unilaterally change this Certificate upon renewal, if We give the Group 45 days' prior written notice.

Choice of Law.

This Certificate shall be governed by the laws of the State of New York.

Clerical Error.

Clerical error, whether by the Group or Us, with respect to this Certificate, or any other documentation issued by Us in connection with this Certificate, or in keeping any record pertaining to the coverage hereunder, will not modify or invalidate coverage otherwise validly in force or continue coverage otherwise validly terminated.

Conformity with Law.

Any term of this Certificate which is in conflict with New York State law or with any applicable federal law that imposes additional requirements from what is required under New York State law will be amended to conform with the minimum requirements of such law.

Continuation of Benefit Limitations.

Some of the benefits in this Certificate may be limited to a specific number of visits, a benefit maximum, and/or subject to a Deductible. You will not be entitled to any additional benefits if Your coverage status should change during the year. For example, if Your coverage status changes from covered family member to Subscriber, all benefits previously utilized when You were a covered family member will be applied toward Your new status as a Subscriber.

Enrollment ERISA.

The Group will develop and maintain complete and accurate payroll records, as well as any other records of the names, addresses, ages, and social security numbers of all Group Members covered under this Certificate, and any other information required to confirm their eligibility for coverage.

The Group will provide Us with this information upon request. The Group may also have additional responsibilities as the "plan administrator" as defined by the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The "plan administrator" is the Group, or a third party appointed by the Group. We are not the ERISA plan administrator.

Entire Agreement.

This Certificate, including any endorsements, riders and the attached applications, if any, constitutes the entire Certificate.

Fraud and Abusive Billing.

We have processes to review claims before and after payment to detect fraud and abusive billing. Members seeking services from Non-Participating Providers could be balance billed by the Non-Participating Provider for those services that are determined to be not payable as a result of a reasonable belief of fraud or other intentional misconduct or abusive billing.

Furnishing Information and Audit.

All persons covered under this Certificate will promptly furnish Us with all information and records that We may require from time to time to perform Our obligations under this Certificate. You must provide Us with certain information over the telephone for reasons such as the following: to determine the level of care You need; so that We may certify care authorized by Your Provider; or make decisions regarding the medical necessity of Your care. The Group will, upon reasonable notice, make available to Us, and We may audit and make copies of, any and all records relating to enrollment at the Group's New York office.

Identification Cards.

Identification ("ID") cards are issued by Us for identification purposes only. Possession of any ID card confers no right to services or benefits under this Certificate. To be entitled to such services or benefits, Your Premiums must be paid in full at the time that the services are sought to be received.

Incontestability.

No statement made by the Subscriber in an application for coverage under this Policy shall avoid the Policy or be used in any legal proceedings unless the application or an exact copy is attached to this Policy.

Independent Contractors.

Participating Providers are independent contractors. They are not Our agents or employees. We and Our employees are not the agent or employee of any Participating Provider. We are not liable for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries alleged to be suffered by You, Your covered Spouse or Children while receiving care from any Participating Provider or in any Participating Provider's facility.

Material Accessibility.

We will give the Group, and the Group will give You ID cards, Certificates, Policies, riders and other necessary materials.

More Information about Your Dental Plan.

You can request additional information about Your coverage under this Certificate. Upon Your request, We will provide the following information:

- A list of the names, business addresses and official positions of Our board of directors, officers and members; and Our most recent annual certified financial statement which includes a balance sheet and a summary of the receipts and disbursements.
- The information that We provide the State regarding Our consumer complaints.
- A copy of Our procedures for maintaining confidentiality of Member information.
- A written description of Our quality assurance program.
- A copy of Our medical policy regarding an experimental or investigational drug, medical device or treatment in clinical trials.
- A copy of Our clinical review criteria (e.g. Medical Necessity criteria), and where appropriate, other clinical information We may consider regarding a specific disease, course of treatment or Utilization Review guidelines.
- Written application procedures and minimum qualification requirements for Providers.

Notice.

Any notice that We give You under this Certificate will be mailed to Your address as it appears in Our records or delivered electronically if You consent to electronic delivery or to the address of the Group. If notice is delivered to You electronically, You may also request a copy of the notice from Us. You agree to provide Us with notice of any change of Your address. If You have to give Us any notice, it should be sent by U.S. Mail, first class, postage prepaid to the address on Your ID card.

Premium Refund.

We will give any refund of Premiums which are paid by You, if due, to the Group.

Recovery of Overpayments.

On occasion a payment will be made to You when You are not covered, for a service that is not Covered, or which is more than is proper. When this happens We will explain the problem to You and You must return the amount of the overpayment to Us within 60 days after receiving notification from Us. However, We shall not initiate overpayment recovery efforts more than 24 months after the original payment was made unless We have a reasonable belief of fraud or other intentional misconduct.

Renewal Date.

The renewal date for this Certificate is the anniversary of the effective date of the Group Policy of each year. This Certificate will automatically renew each year on the renewal date unless otherwise terminated by Us, as permitted by this Certificate, or by the Group upon 30 days' prior written notice to Us.

Right to Develop Guidelines and Administrative Rules.

We may develop or adopt standards that describe in more detail when We will or will not make payments under this Certificate. Those standards will not be contrary to the descriptions in this Certificate. If You have a question about the standards that apply to a particular benefit, You may contact Us and We will explain the standards or send You a copy of the standards. We may also develop administrative rules pertaining to enrollment and other administrative matters. We shall have all the powers necessary or appropriate to enable Us to carry out Our duties in connection with the administration of this Certificate.

We review and evaluate new technology according to technology evaluation criteria developed by Our medical directors and reviewed by a designated committee, which consists of health care professionals from various medical specialties. Conclusions of the committee are incorporated into Our medical policies to establish decision protocols for determining whether a service is Medically Necessary, experimental or investigational, or included as a Covered benefit.

Right to Offset.

If We make a claim payment to You or on Your behalf in error or You owe Us any money, You must repay the amount You owe Us. Except as otherwise required by law, if We owe You a payment for other claims received, We have the right to subtract any amount You owe Us from any payment We owe You.

Severability.

The unenforceability or invalidity of any provision of this Certificate shall not affect the validity and enforceability of the remainder of this Certificate.

Significant Change in Circumstances.

If We are unable to arrange for Covered Services as provided under this Certificate as the result of events outside of Our control, We will make a good faith effort to make alternative arrangements. These events would include a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of Participating Providers' personnel or similar causes. We will make reasonable attempts to arrange for Covered Services. We

and Our Participating Providers will not be liable for delay, or failure to provide or arrange for Covered Services if such failure or delay is caused by such an event.

Subrogation and Reimbursement.

These paragraphs apply when another party (including any insurer) is, or may be found to be, responsible for Your injury, illness or other condition and We have provided benefits related to that injury, illness or condition. As permitted by applicable state law, unless preempted by federal law, We may be subrogated to all rights of recovery against any such party (including Your own insurance carrier) for the benefits We have provided to You under this Certificate. Subrogation means that We have the right, independently of You, to proceed directly against the other party to recover the benefits that We have provided.

Subject to applicable state law, unless preempted by federal law, We may have a right of reimbursement if You or anyone on Your behalf receives payment from any responsible party (including Your own insurance carrier) from any settlement, verdict or insurance proceeds, in connection with an injury, illness, or condition for which We provided benefits. Under Section 5-335 of the New York General Obligations Law, Our right of recovery does not apply when a settlement is reached between a plaintiff and defendant, unless a statutory right of reimbursement exists. The law also provides that, when entering into a settlement, it is presumed that You did not take any action against Our rights or violate any contract between You and Us. The law presumes that the settlement between You and the responsible party does not include compensation for the cost of dental care services for which We provided benefits.

We request that You notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or condition sustained by You for which We have provided benefits. You must provide all information requested by Us or Our representatives including, but not limited to, completing and submitting any applications or other forms or statements as We may reasonably request.

Third Party Beneficiaries.

No third party beneficiaries are intended to be created by this Certificate and nothing in the Certificate shall confer upon any person or entity other than You or Us any right, benefit, or remedy of any nature whatsoever under or by reason of this Certificate. No other party can enforce this Certificate's provisions or seek any remedy arising out of either Our or Your performance or failure to perform any portion of this

Certificate, or to bring an action or pursuit for the breach of any terms of this Certificate.

Time to Sue.

No action at law or in equity may be maintained against Us prior to the expiration of 60 days after written submission of a claim has been furnished to Us as required in this Certificate. You must start any lawsuit against Us under this Certificate within two (2) years from the date the claim was required to be filed.

Translation Services.

Translation services are available free of charge under this Certificate for non-English speaking Members. Please contact Us at the number on Your ID card to access these services.

Waiver.

The waiver by any party of any breach of any provision of this Certificate will not be construed as a waiver of any subsequent breach of the same or any other provision. The failure to exercise any right hereunder will not operate as a waiver of such right.

Who May Change this Certificate.

This Certificate may not be modified, amended, or changed, except in writing and signed by Our Chief Executive Officer ("CEO"), Chief Operating Officer ("COO") President, or a person designated by the CEO, COO, or President. No employee, agent, or other person is authorized to interpret, amend, modify, or otherwise change this Certificate in a manner that expands or limits the scope of coverage, or the conditions of eligibility, enrollment, or participation, unless in writing and signed by the CEO, COO, or President or person designated by the CEO, COO, or President.

Who Receives Payment under this Certificate.

Payments under this Certificate for services provided by a Participating Provider will be made directly by Us to the Provider. If You receive services from a Non-Participating Provider, We reserve the right to pay either You or the Provider regardless of whether an assignment has been made.

Workers' Compensation Not Affected.

The coverage provided under this Certificate is not in lieu of and does not affect any requirements for coverage by workers' compensation insurance or law.

Your Dental Records and Reports.

In order to provide Your coverage under this Certificate, it may be necessary for Us to obtain Your dental records and information from Providers who treated You. Our actions to provide that coverage include processing Your claims, reviewing Grievances, Appeals, or complaints involving Your care, and quality assurance reviews of Your care, whether

based on a specific complaint or a routine audit of randomly selected cases. By accepting coverage under this Certificate, except as prohibited by state or federal law, You automatically give Us or Our designee permission to obtain and use Your dental records for those purposes and You authorize each and every Provider who renders services to You to:

- Disclose all facts pertaining to Your care, treatment, and physical condition to Us or to a dental professional that We may engage to assist Us in reviewing a treatment or claim, or in connection with a complaint or quality of care review;
- Render reports pertaining to Your care, treatment, and physical condition to Us, or to a dental professional that We may engage to assist Us in reviewing a treatment or claim; and
- Permit copying of Your dental records by Us.

We agree to maintain Your dental information in accordance with state and federal confidentiality requirements. However, to the extent permitted under state or federal law, You automatically give Us permission to share Your information with the New York State Department of Health, quality oversight organizations, and third parties with which We contract to assist Us in administering this Certificate, so long as they also agree to maintain the information in accordance with state and federal confidentiality requirements.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;

- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if your Employer agrees, and you meet the criteria shown in the following Sections B through F and enroll for or change coverage within the time period established by your Employer.

B. Change of status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid eligibility/entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in cost of coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in coverage of spouse or Dependent under another employer's plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED93

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any "Conversion Privilege" shown in your certificate.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures under ERISA

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below,

in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents as applicable, and in the determination notices.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);

- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must

be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage

under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn

or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer’s Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. Contact the Employer for the procedure by which benefits may be changed or terminated, by which the eligibility of

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section);
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
