

**ATTENTION TEACHERS: TOOTHSAVERS WILL BE AT YOUR SCHOOL!**

**The purpose** of Toothsavers is to help address the overwhelming need for children's oral health in our community. **TOOTH PAIN IS THE NUMBER ONE REASON KIDS MISS SCHOOL!**

We bring painless preventive dental services to the school so that parents miss less work and kids receive care they may not have access to otherwise.

**The time** it takes for an average visit with ToothSavers is between 5-20 minutes, depending on the extent of services needed for each child. We get kids back to class ASAP!

**The cost:** Medicaid pays 100% of our services if child is enrolled. Private pay for families is offered at a very reduced fee if they choose.

\*Toothsavers follows all department of health and CDC infection control COVID-19 guidelines.
