

Testimonials for The Haven

Nadine from Oldham

Staying at the Ryehill Farmhouse has been an amazing experience from beginning to end! From the moment we got here it was like a home away from home. The scenery itself is incredible.

Our 2 young daughters fell in love with the garden and would run outside any chance they got; bringing garden games would definitely keep the little ones happy.

The front room was so cozy and homely with it's beautiful wood fire. There are books and DVD's to keep yourself and your family entertained in the evening. The kitchen was fully stocked with everything you could need, the whole place is beautifully decorated and spotlessly clean! But above all the hosts, Paul & Ros were very hospitable, always ready to help and gave us a number suggestions of places to go and places to eat and nothing was too much trouble! We will definitely be staying again and we cannot wait.

Sarah from Hampshire

We loved the cottage. It was just right for a break which both of us needed. The peace, countryside and wildlife were restoring and refreshing with plenty of beautiful and interesting places to explore nearby. We are looking forward to visiting again.

Emma from Tyne and Wear

The Haven is aptly named. Each time I arrive, I can feel myself relax and take on a different perspective. This year I have explored more of the paths alongside the river. Thank you so much for providing this space

Elizabeth from Edinburgh

Thank you for letting us stay in this lovely house. The cake was AMAZING and so was the jam. We loved having lots of space for football and having lots of fun. We are so sad to leave and cant wait to come back! Aged 10

You have created such a wonderful place for us all to come and be together, rest and explore. We all feel it has been such an amazing gift to us from God through you. Thank you so much.

Helen & Simon from Newcastle

Our stays at the Haven have always been just right. Paul and Ros are warm and welcoming without ever intruding. The accommodation is gorgeous - lovely thick walls, a log fire, a kitchen provided with more than we could need and all absolutely spotless. As well as this there is the quiet space of the garden.

The surroundings are beautiful and short or long walks are possible from the front door. The river Coquet is amazing and rich with wildlife. Simonside is an impressive hill to climb and offers amazing views at all times of year. As a break there is plenty to do, or it is the perfect quiet space to simply rest. Each time it feels like a home from home and we would recommend it to everyone.
