THE HAVEN CHARGING POLICY 2025

Affordable accommodation:

The high cost of holiday accommodation is often a barrier to people who need a break. To make The Haven affordable to all, there is a low minimum charge that help to cover the running costs. **This is between a third to a half of the cost of similar holiday accommodation in Northumberland.**

Minimum Charges:

Minimum stay is 1 night and the maximum stay is 14 nights. Due to high turn around costs (cleaning and washing) the price for a 1 or 2 night stay is the same as for 3 nights.

Below are the minimum charges.

We do not want cost to be a barrier to those who genuinely need a holiday so if these minimum charges are a barrier to you using The Haven, please contact us. These can be reduced if we have a reference from a minister/vicar, social worker, health visitor or similar.
