

THE HAVEN CHARGING POLICY

Caring, Sharing, Refreshing

Affordable accommodation:

The high cost of holiday accommodation is often a barrier to people who need a break. To make The Haven affordable to all, there is a low minimum charge that covers running costs. This is between a third to a half of the cost of similar holiday accommodation in Northumberland.

Suggested Charges:

Minimum stay is 2 nights and the maximum stay is 14 nights. Due to high turn around costs (cleaning and washing) the price for a 2 night stay is the same as for 3 nights. These are minimum suggested charges but we do not want cost to be a barrier to those who genuinely need a holiday. If these minimum charges are a barrier to you using The Haven, please contact us.

Equally The Haven can be used by those who can easily afford to pay more for the accommodation, knowing that their additional contribution will enable others to enjoy a holiday too.

MINIMUM COST IN POUNDS

Length of stay	Cost for 1 adult	Cost for 2 adults	Cost for 3 adults	Cost for 1 adult and children	Cost for 2 adults and children

2 weeks	375	455	580	395	475

Voluntary Donation:

We ask those who can afford more than these minimum charges to make an additional voluntary donation to Ryehill Community Ventures on top of the minimum charge. These donations will help subsidise holidays for others and will also help towards the setting up and running costs of the community workshop.

CORONAVIRUS:

Although we thoroughly clean The Haven between visitors, as an extra precaution we allow an empty day between bookings. Although this reduces availability it is a safeguard that we hope will enable and encourage vulnerable people to use the accommodation. Due to government guidelines the accommodation can only be used by one household at a time.
