FEBRUARY 2023 SPECIAL EDITION

SPRING CHALLENGE THEME "COUNTRY LIVING"

The only requirement is the size must be at least 30x30.

Hopefully this is a broad enough topic to allow for opportunities to create a large variety quilts. That is why I came up with "Country Living" - What do you think of when you hear the words "Country Living"? Is it a farm, cows in a field, Amish, apple pie, tractors or having tea at the Willett's farmhouse? Maybe it's a piece of fabric that just

seems like it should be in a quilt in the country or creating a large Ohio Star to mimic a barn quilt. Or maybe you take the theme literally. Hopefully the sky is the limit for this quilt challenge and happy quilting. Challenge quilts will be due and voted on at the Tea most likely in May. Please contact Kristi Dillard (kristiges@aol.com) if you have any questions.

QUILTERS TEA

It is time to begin planning for the Spring Quilters Tea. We are looking for volunteers to help plan the tea. For the new members, the Tea is usually held in the Spring at a member's house. The host displays some of her quilts and provides tea. Attending

members sign up to bring either a sweet or savory treat to share. This year Kristi Dillard will be our host. We will have a committee sign-up sheet at the February meeting.
