To Reserve a Spot

You can reserve your spot **after** the Guild's April Newsletter arrives in your mailbox. That ensures everyone has a fair chance to get a spot.

NOTE: Your retreat registration form and check go to Marilyn.
She will record the info she needs and then give your check to the Treasurer.

To reserve a spot:

1. Email/text Marilyn to sign up to attend. She will create the sign-up sheet based on the date/time of the email/text. Also, doing this ensures that she will be watching for your retreat registration form and deposit check if it is mailed.

Marilyn must receive your \$100 deposit and your completed retreat registration form within a week of your email/text to officially reserve your spot.

2. Print out the one-page retreat registration form from the guild's website. Complete it.
3. Attach a deposit check for \$100 (*payable to FCQG*) to the form.
4. If you will be at the April 9 Guild Meeting, give your registration form & deposit to Marilyn at that time.
5. Otherwise, mail your retreat registration form and deposit directly to [Marilyn](#). She will let you know when your registration form and check arrive. Sign-ups will be processed in the order of email/text and then postmark date.
6. Any remaining spots after the August Guild Meeting will be offered to non-members.

**Please plan to give Marilyn a check for your balance on or before
the September 10 Guild Meeting**
