

Things to know about a retreat at Priest Field:

Things to Bring:

- Your sewing machine's operating manual
- An extension cord
- Sew-ezi table (if you use one)
- A cushion to enhance the comfort of your sewing room chair
- A small iron and cutting mat for your personal workspace
- Basics: Scissors, threads, bobbins, specialty rulers, patterns/fabric, fabric markers, etc.
- Your favorite insulated mug
- Chargers for Phone/tablet/laptop
- Earphones for listening to music
- Walking shoes (if you like to walk/hike)
- "Magic Sliders" (not felt) to put on the bottoms of your sewing room chairs' legs so the chair slides easily on the carpet—about a 2" diameter will work—they are removable and can be reused

Snack Table:

Please bring a non-perishable snack to share with our group of 18 (includes our hostess).

For example: fruit, candy, crackers, cookies, cake, pie, chips, pretzels, popcorn, canned drinks, etc. Though we have meals, everyone loves to graze throughout the day and evening.

Coffee and hot tea are available all day in the dining room.

Check In:

Arrival time on Thursday is _____ or later!

There are parking spaces in front of retreat center. Look for wagons/carts to help move your things from your vehicle into the sewing room/sleeping areas. You may have to wait a few minutes for an empty wagon/cart.

Check in at the front desk to get your room keys.

Move your sewing things inside to the sewing room and your personal things to your rooms. As soon as you can, put the wagon back and move your vehicle to a designated parking space/area.
