WHO WE ARE

The technology of
tomorrow
at your disposal today

INTELLIFE means business intelligence, industry disciplines, uncanny inventiveness, and a collective desire to attain new heights – for ourselves and our clients.

As our clients say "an ideal blend of business savvy and creativity".

We identify clients' goals and use data and analytics to discover trends specific to their industry, company, and customers' needs. We use these findings to create custom, digital strategies and creative social media campaigns that inspire clients' audiences to take action.

WHAT WE DO

INTELLIFE does not offer services – it provides end results. Here's how we do that.

Performing Digital Experiences - €1,000/mth.

We push brands in the right direction via on-point social media marketing and digital communication on Facebook and Instagram.

Purpose-Driven Website Development - €1,000

We help established brands evolve, we help new brands grow. We incubate, validate, design, and launch new websites, constantly bringing brands to life.

Website Maintenance - €150/mth.

We optimize and maintain websites that businesses thrive as we commit to driving website visitors, impacting website rankings, and engage audiences.
