

INTELLIFE

The technology of tomorrow
at your disposal today

Intelligent Automation Services

The Niche Media Ltd.
6 Austin Way, Bracknell, RG12 9HN, United Kingdom

WHY

AI

Intelligent Automation typically results in cost savings of 40 percent to 75 percent

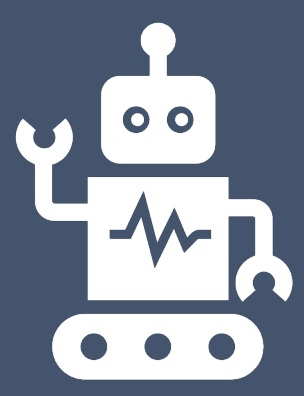

Bot Messaging Automation enables greater operational efficiency and boosts customer experience. Bot messaging automation uses intelligent automation to engage customers, automate sales and marketing to improve conversion rates.

Book our services if you are looking to:

- ✓ Build-in integrations of live agents
- ✓ Increase the capacity of customer service and keep in touch with customers outside of opening hours
- ✓ Offer prompt responses to customer inquiries
- ✓ Improve your position on the market and stay ahead of the competition
- ✓ Increase productivity by letting customer support focus on more complex tasks while the bots faster response time

WHAT WE DO

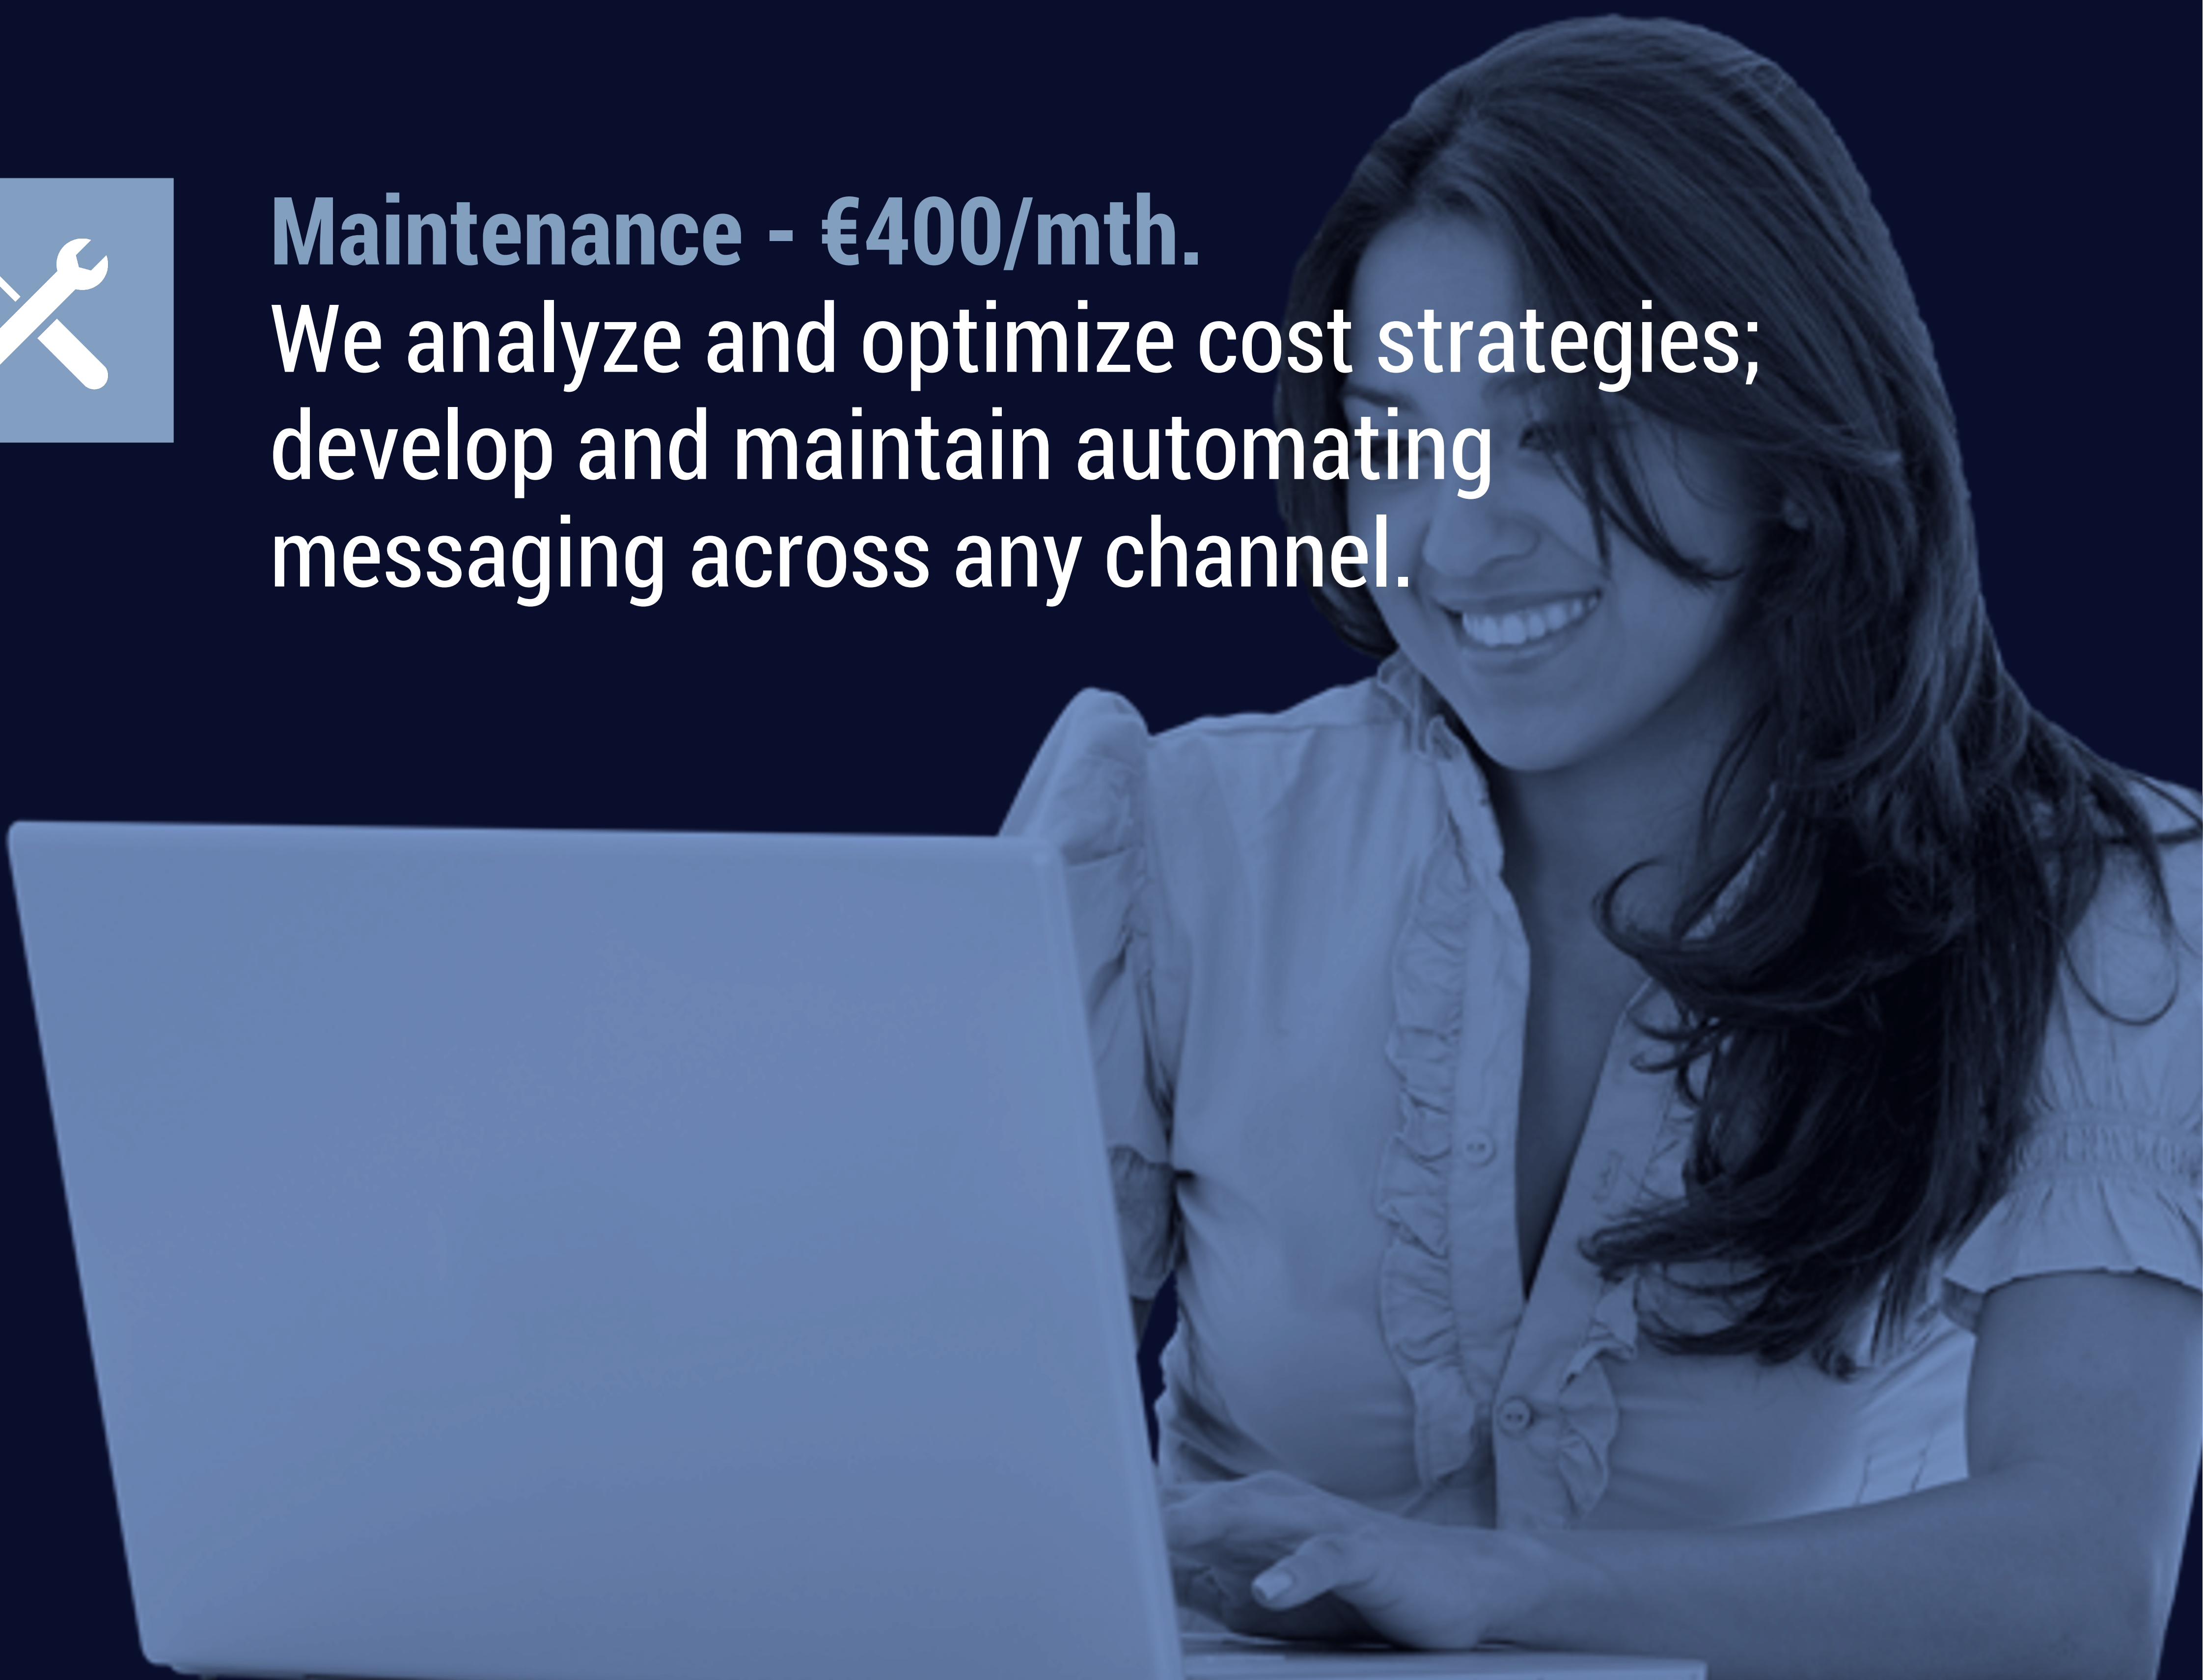

INTELLIFE offers proficient AI messaging automation solutions to engage target audiences and boost customer experience

AI Bot Automation Services - €300/mth.
Intellife helps companies make the best out of AI technologies. Together we define business objectives and determine how AI messaging automation solutions would help the business achieve goals.

Maintenance - €400/mth.
We analyze and optimize cost strategies; develop and maintain automating messaging across any channel.
