The technology of tomorrow  
at your disposal today

## Video Production Services

Conceptualizing Ideas Beyond Your Imagination

The Niche Media Ltd.

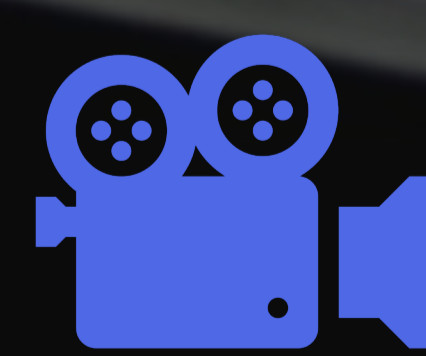

6 Austin Way, Bracknell, RG12 9HN, United Kingdom

# In a world full of screens, video content is the marketing medium of the future

Our video production is world-class in style, scope, and execution. We are up to date with technical, creative, and social trends.

INTELLIFE offers full-service video production across all phases of the project. We identify your goals and use video content to produce creative campaigns that communicate your story and inspire your audience to take action. We offer high-end video content based on clients' needs, ranging from:

- ✓ Live Streaming
- ✓ Promotional Video Content
- ✓ Explanatory Video Content
- ✓ Recruitment & Employer Branding
- ✓ Vox Pops
- ✓ Product Demo
- ✓ Testimonials and Interviews

**Scripting. Filming. Editing. Post-Producing.**

# OUR MAIN SERVICES

## EVENTS LIVE STREAMING

**€2,500 Per Event, Up To 3h + €500 Per Extra Hour**

Brands can use live streaming strategies to create engaging content marketed towards a global audience - all in real-time. Regular live series are key to successful live marketing and can help brands position ahead of competition. Greater engagement with the audience will humanize the brand and boost sales.

## FULL SERVICE VIDEO PRODUCTION

**€1,500 for Up to One Minute Video**

Pre-recorded video content still proves powerful on many social platforms. Every business has ideas worth documenting and compelling visuals can easily help with this matter. Moreover, video content can help with commercial and marketing goals at every phase of the sales funnel. Intellife owns the latest technology and skills to make the best out of every story.

**Quotation available at request for longer video production projects.**
