Failure on the part of the Buyer to have the Puppy's health verified will result in any and all warranties being canceled. Seller accepts no liability for any communicable diseases after 24 hours from when the puppy leaves the possession of the Seller. If puppy/dog does not pass a general health exam, Buyer agrees to notify breeder via email or phone within 24 hours of veterinary notification and provide a copy of the original signed licensed veterinary statement of health. Minor, treatable problems such as diarrhea, coccidiosis, parasites, giardia, etc. are common problems in puppies especially under the stress of new circumstances, and will not be covered by this warranty, although every effort is made to prevent this.

Warranty: Buyer acknowledges that Seller is not responsible for Buyer's veterinary expenses at any time or under any circumstance. Seller also warrants this puppy free from "genetic defects", such as hip dysplasia, deafness, serious eye defect, that would prevent the puppy from being a companion animal, until the puppy reaches one year of age. If this puppy is found to have a genetic defect of this kind, this must be verified by a licensed certified veterinarian. In the case of a hereditary hip deformity, a copy of written notification must come to the Seller from Orthopedic Foundation for Animals (OFA). In case of a genetic eye deformity, written notification must come to the Seller from a Board Certified Veterinary Ophthalmologist. If a "genetic disorder" is found, the Buyer may choose to either, return the puppy/dog to the Seller at the Buyer's expense and the Seller will then replace the puppy with one of the same sex and coat color from the first available litter (puppy to be determined by the Seller), or the Buyer may choose to keep the puppy/dog. If this puppy/dog is sold to a third party, this contract shall be void.

Purchase agreement: It is the Seller's sincere intention that none of their dogs are ever taken to a shelter. If at any point in the future, the Buyer cannot keep this puppy/dog that is still in good health, the Seller agrees to assist in finding this animal a new home. At any time, the Buyer can surrender the dog back to the Seller.

Puppy is warranted only for the purpose of being a pet/companion animal. Although it could be capable/suitable of performing other functions, such as show or breeding quality, no warranty is being given for that purpose. If used for breeding (only if purchased/given Breeding rights), the Seller asks that the Buyers do so responsibly, and recommend that males must be at least one year of age before used for breeding and females at least one year of age and had at least one prior heat cycle before being bred.

Seller cannot guarantee adult size or conformation of the puppy/dog. Buyer hereby releases breeder and agrees to hold harmless for any liability, injuries or damages to persons or property caused by this puppy/dog. Buyer shall assume full responsibility for the health, temperament, and appearance of the puppy/dog upon when the puppy/dog leaves the premise of the Seller.

Buyer must follow the regular vaccine, worming, and heart worm (if prevalent your area) schedule for the first year of the puppy's/dog's life. Failure to do so causes this contract to become null and void.
