Terms of Agreement

The buyer will advise the seller as soon as the bitch comes into heat, and will keep the seller updated with the results of each progesterone test. The seller will take the stud for 1-2 collections for two artificial inseminations either side by side or shipped when the bitch's progesterone tests indicate she is ready for breeding.

If shipping, then the Seller will take the stud to their reproduction veterinarian for the semen to be professionally collected and professionally packed for shipping. If the breeding is side by side Artificial insemination the seller will take the stud to a licensed veterinarian in Edmonton of the buyers choosing to be collected from.

All collection, packing, shipping and artificial insemination fees are to be paid by the buyer and under no circumstances to be paid by the seller. This is in excess of the stud fee agreed upon. Fees may vary in accordance with different vets, days of the week and depending on where the semen is being shipped to.

The seller guarantees the birth of 2 live pups. If this does not happen, the seller will do a repeat breeding for no additional stud fee. This does not include the breeding fees mentioned above that are always paid by the buyer and never the seller.

Precious Gems will give all necessary registration on info of the stud and sign all necessary paperwork so that the litter will be registered with the CKC once the puppy or stud fee is received by the owner of the stud. The owner of the bitch agrees to register the litter with the CKC including the puppy that is agreed to be given to the stud owner if puppy back deal was initially agreed. Registration papers will be mailed out to the stud owner as soon as they are received by the owner of the bitch.

The buyers may use pictures of the stud and any of his past pups to show potential buyers the father of the litter and puppies the stud has produced in the past. These pictures may or may not be watermarked.

The buyer will also provide the seller with pictures of the litter for the seller to use to show others the pups the stud has produced.

This contract shall be governed by the laws of the province of Alberta, Canada to the exclusion of any other forum and constitutes the entire agreement between both Precious Gems French Bulldogs and the owner of the bitch.
