## ***14<sup>th</sup> April Social Day Lunch followed by a visit to the new Kangaroo Flat Library***

Members and guests attended a lunch at the Windermere hotel followed by a walk to the new Kangaroo Flat Library Building for a visit and information session with Librarian Adrian who provided a very informative overview of the new buildings operation and services available.

Members inspecting the facilities available in the Kangaroo Flat Library.

## ***21<sup>st</sup> April Bendigo Club visit & guest speaker Kim Sadlier from Kangaroo Flat Primary School***

Kim provided a very informative talk with accompanying audio visual presentation on the Kangaroo Flat Primark School and the many challenges face during the period of home schooling due to Covid 19.

Kim went into some detail on the challenges faced by the school in reaching all their students during this period due to the need of the many recent arrivals to Australia and the difficulties access to suitable technology to allow remote learning. Kim went on the explain the processes that the staff undertook to ensure all students had access to the required resources to enable their continuation of education during this period.

## April 25<sup>th</sup> ANZAC day

The Y Service Club of Kangaroo Flat and the Kangaroo Flat was represented by President Janet at the Moring ANZAC service at the Kangaroo Flat Cenotaph where she laid a floral tribute on behalf of the club.

## 29<sup>th</sup> April visit to Eagle Hawk Club

On the 29<sup>th</sup> April members of the Kangaroo Flat Y Service Club joined with the members of the Eagle Hawk Club for dinner followed by a guest speaker Terry Westaway from Bendigo Winter Nights Shelter.

Bendigo Winter Night Shelter (BWNS) works with local churches, community groups, businesses and individuals to provide support for people (our guests) who are experiencing crisis homelessness during winter in the Bendigo area.

We are a 100% volunteer organisation. Our volunteers are people who have a desire to work towards Bendigo Winter Night Shelter's mission of supporting churches and the community to provide shelter, food and dignity to people experiencing homelessness.

We hope the community of Bendigo will see churches and the community working together to help people who are experiencing homelessness in Bendigo. While behind the scenes, BWNS will be working to connect guests with services and organisations to help them on their journey

## Hall Cleaning

As you may be aware Bendigo Community Health will no longer be using our hall they will no longer undertake weekly cleaning of the hall as they have done for several years.

It is now very important that those rostered on for hall cleaning duties ensure that they carry out the task and if you are unable to complete it it is your responsibility to organise a replacement to carry out the cleaning.

## *Pombo's house update.*

Graham Pemberton is finally seeing some progress on his new abode after 18 months of bureaucracy his footing were pored last week and the building modules have been delivered this week. Graham is hopeful that he will finally have a place to call home by the end of June 2021.

### THE LOO EXCURSION:

Well done to Murray and his team of workers who have again performed a miracle! The renovations carried out in the female toilets are really something, and everyone concerned should be congratulated.

I had the opportunity to be a part of the "Examination Party" last Wednesday, and I thought you might enjoy a couple of quotes from other members of the party.

"2 Ladies and 6 Men ventured in to examine the newly renovated lady's loo and they all came out smiling..... in only 45 seconds"....

(Thanks, Gary.... I am not sure what you were implying!!)

"I don't think I like the idea of sitting down on the job with a friend"

*(Kathy, the mirror is not going to remain in the loo... In the meantime, it's better to keep the mirror there and have your reflection keep you company than the prying eyes of those outside. I believe there is a hole behind the mirror, right David?)*

## *Vale Heather Tyter*

It is with sadness that we advise that former Y Service Club of Kangaroo Flat member Heather Tyter passed away on the 21<sup>st</sup> May 2021. Our thoughts are with Bob and their family.
