

AP Monthly Letter Jul

Theme: Make a difference beyond the 100th

Slogan: Be healthy!

2021-22 Area President OHNO Ben Tsutomu (Kobe Port/JWR)

Introduction

Dear All ASP members.

I am OHNO Ben Tsutomu from Kobe Port YMC, Japan West Region.

I have taken over from David Lua, 2020-21 Area President, and started serving as AP on July 1.

I will carry on the theme of IPAP, and I will proceed with the activities of this fiscal year while placing the highest priority on your health and cherishing the troika system.

This term, I will publish the AP Letter every month to inform more members about the ASP activities and to promote mutual interaction. We wish to spread the goodness of being a member of YMI through a wide range of activities, taking advantage of the Area's diversity. We look forward to working with you all.

AP/ASP OHNO Ben Tsutomu

1. Theme & Slogan

Theme: Make a difference beyond the 100th

Slogan: Be healthy !

<Back ground>

- I would like to carry on the theme of the AP and proceed with the activities for the year, making the most of the Troika system.
- I would like to promote collaboration with YMCAs in the Area, nurture youth and community service, revitalize club, and realize the dream of creating a new club in a country where any Y's Men's Club has not been chartered yet.
- I would like to update the Area website, publish bulletins, strengthen local exchanges and solidarity, and further promote cooperative relations to support the activities of each region, district, and club.
- To make the 2021 Asia Pacific Area Convention meaningful, I will make every possible effort to gather a large number of participants.
- I will review the allocation of Area budgets, make effective use of precious local membership fees paid by members, and keep the revenue and expenditures transparent.

2. Policies & Plans

A: To understand the situation in each region, find issues & take action.

Meetings (ACM) are held four times a term, with the participation of all RDs, ASDs, & AEO to exchange ideas. In this way, we will share issues and find ways to help each other improve.

B: To deepen friendship by interaction.

We will promote unprecedented exchanges by using ZOOM.

C: To celebrate the Centennial Anniversary of YMI all together.

I wish to publicize Y's Men's movement extensively by conducting projects to contribute to society on the occasion of the 100th anniversary of 2022.

D: To develop the ASP Area through lasting activities.

The basis and the purpose of our club activities are CS projects and YMCA service programmes.

By actively cooperating with YMCA and strengthening activities aimed at the community, social recognition and evaluation will increase, new members will be acquired, new clubs will be established, and our activities will be developed in new countries.

Our most valuable property is human resources. We will focus on leadership training, and young people and inexperienced members at each level from international to clubs according to their abilities and motivation. We will incorporate new ideas without fear of failure. This way, I think that the strength can be obtained for the survival of YMI.
