EAGLEHAWK Y SERVICE CLUB

9th November Blues and Roots weekend.

Due to the rather cold and inclement weather only a small group of us met at Rosslyn park. We listened to some of the music and after a while moved on into the city or coffee shops . The music was good but weather killed the day.

Ted Bullow played with the Black Cat Bones. I have watched the video of their performance and they are rather good.

Swap Meet: 16th 17th November

Both the Men's and Women's Eaglehawk Y Service Clubs volunteered quite a lot of hours to help out the Rotary Clubs with the catering venues at the annual Swap Meet.

The Saturday was extremely busy as usual and all of us were glad when our shifts were over. Sunday was quiet. However, we feel that our net return will be a satisfactory result.

The usual assortment of characters and collectables (and questionable odds and sods) were on sale.

Thank you for all those who gave their time to help

Working with Children Check Victoria.

The Department of Justice and Community Safety requires all our members to register for this card.

This card can only be used for volunteer child related work.

The last few of our not computer literate members were ably assisted by Theresa Banfield at our meeting on 21st November to submit their applications. Thanks Jim and Theresa.

Ongoing: All Card acceptances and details will need to be recorded by our Secretary. Please supply as soon as they come through.

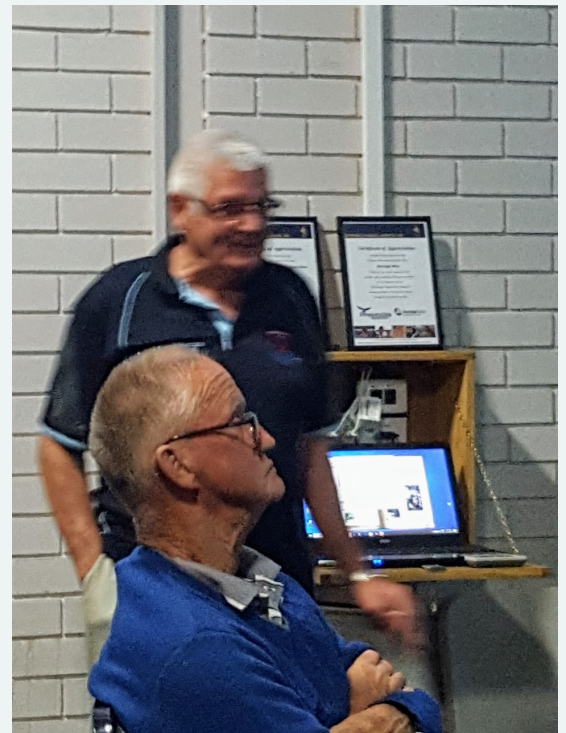

INSIDE STORIES

14th November

Alan Riley shared his Barra Fishing Classic video with us at the club.

Les Trimble was suitably impressed. And so were we all.

Some of the Barra was very sizeable—Yum—good eating.

Alan is still experiencing some health issues but in his normal way he just getting on with life. We are all sending our prayers and good wishes to you mate.

He tells me he is off on a fishing trip again soon. Fishing is his great passion.
