Update from David Austin Club meeting 13/05/2021

Thursday night we had the privilege to have Steve Morris as guest speaker. Steve is a rock climber and has a rock climbing equipment store in Kennington it was quite interesting. He also supplies safety equipment and trains technicians in the wind turbines that produced electricity to escape if a fire starts while in side to abseil down the external to safety.

Picture Alan and Steve

Cheers Dave.

News from Jim Banfield on 18/05/2021

Some photos on the sculpture trail at Aramac Qld Just brilliant all made from junk
The dog has a large rabbit trap in its makings

At Winton we watched Waltzed in Matilda show

We are now at Gregory River going to Lawn hill national park

All is well weather is good around 26 -30 most days

Regards Jim

EAGLEHAWK Y SERVICE CLUB

Alan Riley has spent a nice time in Streaky Bay (SA) recently.

He gets away every year, when there is no Covid lockdowns.

This is a shot of his very large site at Streaky Bay. (really tough Alan)

As usual he manages to catch a nice lot of Flathead, Squid and Blue Swimmer Crabs, etc. (King George Whiting??)

Life is tough, but he manages to soldier on. Next trip, he is heading to Qld (again), via Winton.

Might manage to catch a feed or three. Never enough to share.

EAGLEHAWK Y SERVICE CLUB

Eaglehawk Men's and Women's clubs had a joint dinner meeting at Club rooms, **Thursday 20th May**

Great to hear some of the Stories of past episodes. A good time was had by all.
