Building Today for a Better Tomorrow.

30/10/2019 To All Y Service Clubs Members News Letter No 13.

Dear Members,

I am delighted to advise that in February 2020 we will have the pleasure of hosting a meeting of the International Executive Officers for their mid-year meeting. The meeting will be held in **Bendigo** from February 25th until March 1st 2020. Please keep these dates free as we want as many members as are able to join with the IEOs to learn first hand the most up to date information about the organisation as well as progress towards the celebrations for our centenary.

The Executive Officers are the team, who with the staff at IHQ manage YMI and are; International President, Jennifer Jones, International President Elect, Jacob Kristensen, Immediate Past International President, Moon Sang-bong, International Treasurer, Phillips Cherian, International Secretary General, Jose Vargese.

At this time we have only a broad outline of the activities which may include discussions with the IEOs on a range of topics relating to the survival and promotion of YMI both locally and internationally.

With regard to accommodation for this event it is suggested that you 'get in early' whether you seek home stay with our members or motel / hotel / caravan park / cabins etc as Bendigo can fill quite quickly.

We will provide more information as we finalize plans.

Diary Dates. IEOs meeting. Bendigo, February 25th to March 1st 2020.
International Convention, Odense, Denmark. August 13th to 16th 2020
