A Message from our President Helen ;

Hello Everyone It's a long time no see; Joan Stephens is not too well at the moment We wish you all the best and hope you are home soon.

To the other (Joan Robertson) hoping you are coping okay. Graeme has had several trips to hospital over the last few months. He is now home, still not doing so well and under the expert care of Joan.

To those living on their own Nancy, Glenda and Val keep your chins up and keep and your outlook positive..

Sue Fry had a "tenderbender" last weel conviently outside a a panel beater Main thing she is only shaken up by it.

To everyone else . Hope you are staying well keeping safe and social distancing ,talking to your other significant Half that you live with. Relieves the monotony doesn't it?

Me I am still walking, riding the stationery bike in the garage (One Tour de France completed) a little gardening,cleaning, not as much now as the first strict lockdown ,and a bit of painting done.Still more to do but enthusiasm has waned somewhat. Still waiting for my cataract surgery and some dental work ready for a denture what fun Ha! Ha! Masks hide a lot of things thankfully.

To all other Y Ladies wherever you may be, stay safe, keep welland continue all the good work to keep this insidious pandemic,then life can return to normal ,whatever that might be to for all of us.

BIRTHDAYS: October 15th Helen Lewis. Oct 20th yours truly. NOV 1st Irena Novak.

None of us have been able to celebreate since March, but with GOD's grace we are still here to pass another milestone.

FEES of \$25 are now due. Beryl would be happy for you to send to her or make arrangements to get them to her.

SICK LIST. Joan Stevens is back in hospital again and not doing very well. Let us keep her in our prayers.

If anyone not well at the moment or having a stressful time know that others are thinking of you.

HUMOUR; One night a burgular was breaking into a house when he hears a voice saying; JESUS is watching you.

He jumps, turns around but doesn't see anyone, so he continues to enter the house; JESUS is watching you.

Now he is getting worried and looking around he see's a bird in a cage nearby. And he say's to the bird; did you say that. Yes I did said the parrot; What's your name asked the burguler; Clarence said the parrot,. What idiot would name a bird Clarence said the burgular. The parrot laughs and says; the same idiot who named the Rottweiler behind you JESUS.

A man walks into a hardware store and asks for a chainsaw that will cut down 6 trees in an hour.

The salwsman shows him him the top of the range model. The man was suitably impressed and bought it.

Next day he brings it back and says; this chainsaw is defective,it only cut down one tree and it took

ALL DAMN DAY. The salesman takes the chain saw starts it up to see what's wrong and the man say's.

What's that noise.

Note to self; Please remember to shut freezer door properley in future . Fortunately I didn't lose any food.

Don't forget my new email address; clarkv45@yahoo.com
