Building Today for a Better Tomorrow.

22/03/2020

To All Y Service Clubs Members.

Newsletter No 6.

Dear Members,

Well, what a start to the next decade!

Following the devastation of the bush fires we now have the coronavirus to content with.

RDE Wayne and I are of the opinion that it will be in the best interests of all of our members and those we come in contact with if we followed the advise from our political leaders and took a break from our usual programming for at least one month.

This remains a decision for individual clubs. There is no compulsion to cease you club's activities until the official advice prevents the holding of public meetings.

We can continue: Building Today for a Better Tomorrow!

Y'sly.

Bill. Schmidt.
