

More Than Basketball NOVA Fall League Participants,

We want to thank the players, coaches and spectators for your participation in our 2019 NOVA Fall League. Unfortunately, with teams only being available on certain days and the disparity in talent level we've received a lot of complaints from many of the teams about their experience. This is our 11<sup>th</sup> year and this is our first time facing these issues. We have 2 other leagues in both Howard County and DC going on concurrently and didn't have any of these issues. We pride ourselves on giving coaches, players and spectators the best possible experience. Our league director Tre Ford went above and beyond to make that possible but collectively we've hit a brick wall. So with the inability to do so we will be ending the league and giving each participating team a \$250 credit to be used towards a future MTB event good for one year.

More Than Basketball
