***Should I Join Rotary?***

We welcome new members. If you are community minded, live or work in or near the Lacey Township area and have a soft spot for fellowship, community service and enlightenment, why not contact us and ask about joining.

We are happy to have you drop in on a few meetings to find out more about what we do.

There are no secret handshakes – we don't need them. The secret is to give more than you receive. The secret is to participate.

Rotary is an international network of influential, successful people. In this age of networking, what better place to call home than your local Rotary Club?

Please add my business name and URL on the Rotary Club Website as a participant and sponsor.
