

# 4STEPS Honoring and Serving our Community

The success of 4STEPS lies in its ability to integrate traditional education with innovative services in therapeutic riding and equine-assisted activities and therapies. Responding to community needs, 4STEPS develops programs for those who benefit from exceptional programming, innovative curricula and sustainable business practices. As a 501(c)(3) charitable organization, 4STEPS maintains its philanthropy by keeping program fees affordable and offering scholarships by writing grants and soliciting donations to offset the cost for 4STEPS' participants.

Founded on core values of integrity, passion and efficacy, 4STEPS continues to uphold these beliefs. The cornerstone of our organization is transformation, for the individual, family, and community.

DEAR FRIENDS OF 4STEPS,

February 1, 2026

A Message From our Treasurer, Dick Warren

We recognize and honor those who have chosen to support 4STEPS for the services we provide for special needs individuals on the Eastern Shore. To ensure our future, donations are necessary to enable us to provide the expertise, education and standards required for safe and meaningful equine-assisted activities for individuals with physical, cognitive, and emotional challenges. 4STEPS needs your help, more than ever, to keep afloat during this difficult economic climate.

## Help with Financial Assistance

Your donation will be used to keep program service fees affordable and to provide scholarships for those who would not be able to participate due to financial hardship.
