Tone 8

Eph. 4: 1-6

Lk. 10: 25-37

Please continue to remember in your prayers all the needs of the parish family and friends, especially George Stojkovic, Joseph Fedyszak, Mateo Stojkovic, Stella Bravo, Jean Davenport, and Laura McKenzie.

Be considerate to the parish family and remember, if you or someone in your household is ill, do not come to church. While you might have an easier time recovering from a respiratory infection, others might suffer serious or life-threatening illness.

While the church A/C has been repaired, there is no guarantee how long the repair will last. Due to this, and the age of the unit, we are using it sparingly. We have fund drives to replace both the church A/C and the leaking roof over the church and rectory. We have heard speculation that these projects will be funded by the Chancery. This is not true. To be clear, the parishioners of St. Basils must fund both projects themselves. During the last three-months that the drives have been active, only one parishioner has donated to each drive. Links to both fund drives can be found on the parish website.

October Financials

Contributions: \$1,801.35

Fundraising: \$392.30

Income Total: \$2,193.65

Expenses: \$6,436.77

For the month of October, an additional \$4,243.12 was needed to cover operating expenses. The Bishop and parishioners of other parishes continue to generously cover the monthly deficit of St. Basil Church. As discussed in the July meeting, for St. Basil to remain open the parishioners must become self-sufficient in paying the operating expenses of the parish. Several people who made pledges in July have not honored their commitment. You cannot continue to rely on the generosity of others to cover your expenses if want St. Basil to remain open.

We have fund drives to replace both the church A/C and the leaking roof over the church and rectory. We have heard speculation that these projects will be funded by the Chancery. This is not true. To be clear, the parishioners of St. Basils must fund both projects themselves. During the last three-months that the drives have been active, only one parishioner has donated to each drive. Links to both fund drives can be found on the parish website.

October Financials

Contributions: \$1,801.35

Fundraising: \$392.30

Income Total: \$2,193.65

Expenses: \$6,436.77

For the month of October, an additional \$4,243.12 was needed to cover operating expenses. The Bishop and parishioners of other parishes continue to generously cover the monthly deficit of St. Basil Church. As discussed in the July meeting, for St. Basil to remain open the parishioners must become self-sufficient in paying the operating expenses of the parish. Several people who made pledges in July have not honored their commitment. You cannot continue to rely on the generosity of others to cover your expenses if want St. Basil to remain open.

Please continue to remember in your prayers all the needs of the parish family and friends, especially George Stojkovic, Joseph Fedyszak, Mateo Stojkovic, Stella Bravo, Jean Davenport, and Laura McKenzie.

Be considerate to the parish family and remember, if you or someone in your household is ill, do not come to church. While you might have an easier time recovering from a respiratory infection, others might suffer serious or life-threatening illness.

While the church A/C has been repaired, there is no guarantee how long the repair will last. Due to this, and the age of the unit, we are using it sparingly.
