We had our wedding here in May of 2021. It was the best experience working with Jenny, her husband and girls! We had to cancel our original date in 2020 due to me (the bride) catching COVID 3 days before the wedding. They worked with us to schedule a new date and helped with so much! She had recommendations for vendors as well and was there if we needed her the day we set up. We love heartland and know we will definitely be back to stay with our families in the future! 😊

Cosy atmosphere · Spacious rooms

I was fortunate enough to be able to book my wedding here on 10.10.2020 and it was absolutely beautiful and breathtaking just like I'd imagined. You have reception barn on site so you can have ceremony and reception all in one place. Plenty of parking plenty of room to spread things out. Beautiful house on property to get ready in 😊 just truly an amazing place , I hope to own a place like heartland one day!! Attached are a preview of some of the pictures my photographer got

We used this as our wedding venue and I cannot say enough wonderful things! The owners were prompt in responding and extremely courteous. They even worked with us on date changes when our son got deployed! They were absolutely fantastic to work with and the place was GORGEOUS! our children had plenty to do while we got set up and they LOVED the ninja warrior setup on the second level on the barn!!! What a gem of a Place!

The first place I looked at to get married & hold our after the wedding celebration party was the only one I needed to see cause it was perfect! It's so beautiful rustic but modern all at the same time... there's so many options to really make your day special... and really the people behind the venue I think are the most important part & the owners are just amazing people who really care! Thank you so so much I can't wait till I get to go back there again ❤️

The family who owns this property hosted a 4H event here over the summer. It is a beautiful location. We spent some time fishing then hanging around a fire enjoying hot dogs and s'mores. There is plenty of parking and space available for a large group.
