

JULY UPDATE

PAVING! Just got the word from the pavers that they want to start Monday August 3rd. Spread the word that there may be some traffic jams. This is a much needed project and we have no control over the dates. We get it when we are next in line!

Gravel road grading. Grading will begin Friday July 31st. We will also be adding gravel to some of the roads over the next few weeks as well as ballast to some of the ditches.

Board of Directors Vacancy.

Korky Fristch is no longer on the board as he has resigned and sold his property on the mountain. They plan to move closer to their grandchildren and we wish them the best in their new place.

If you wish to serve, please contact any of the existing board members.

Apologies for the late notice, but we literally got the road and gravel projects confirmed today July 30th.

We do have more big news coming in the next week or two. Please stay tuned!
