

Spring Is On The Way!

Spring is around the corner and we just wanted to update you on some of the latest information!

NEW BOARD member! Luc Gay from 1004 Old Country Rd is the newest board member! At the October Annual meeting, Luc was one of 3 that expressed interest in being on the board. After the annual meeting, we reached out to the ones that expressed interest and Luc was the only one to accept. The board appreciates Luc stepping up and we look forward to working with him.

Spring ditch cleaning is coming up. Please allow the workers to work and drive safely as always.

Pavement repairs. We have identified more areas for repair and plan on getting that work done this spring as well, before summer traffic.

Gravel roads will be scraped early this spring as well. The deep freeze and thaw were very rough on all the gravel roads.

Summer Member Meeting!

We are planning on having a Members Meeting this summer to hopefully allow more to attend. We plan on addressing things such as updating the By Laws, Modernizing the Deeds Covenants and Restrictions and soliciting more board members to replace several current members who are looking to exit years end. We will post an update when we have a timeframe and place for a summer meeting.
