## *Puzzle*

Just in time for Valentine's Day 2021, DoDo shapes new Puzzle charms in rose gold, rose gold and white diamonds, or rose gold and black diamonds, to celebrate love in all of its forms. With the spirit of DoDo inclusivity, gender-neutral Puzzle pieces replace the classic 'heart charm' with a design meant to nestle together with your loved one's or wear alone.

# Nodo *Collection*

DoDo proudly enriches the Nodo 2021 collection with new necklace, bracelet and ring designs featuring the ‘knot,’ a universal symbol of unity and strength, and a nod to the jeweler’s origins. **Nodo** was first created for DoDo’s 25th anniversary, its message being *Stronger together*. In this spirit of inclusivity, **Nodo** ties in diverse knot designs, metals and materials, to be mixed-and- matched, layered and stacked.

## Bollicine *Collection*

Bubbling with inspiration, DoDo introduces new Bollicine rings, bracelet, earrings, and necklaces in even more precious versions for 2021. Designed to layer, stack, and mix-and-match, Bollicine jewels enjoyed an immediate success when they popped on the scene in 2020. Their champagne-bubble designs leave cause for celebration, as Bollicine encapsulates joy and movement with its shapely spheres and unconventional metal combinations, now incorporating diamond versions. Precious Bollicine creations are the new must-have, being versatile , wearable and so DoDo chic.

# Pepita *Collection*

DoDo launches innovative new designs for Pepita collection's bracelets, rings and earrings. As a historic favorite of the brand, Pepita's organic "pebbles" design is inspired by the stones of an Italian coastline, into fresh design pieces meant to be stacked, mixed-and-matched, or worn alone.
