MARCH

AQUAMARINE

March restores Mother Nature's concentration and calm with its blue color. Sparkling with the strength of long life, blue topaz pairs with tanzanite's rarity and sapphire's faithfulness. Watery **aquamarine**, the "**mother of all gems**," reflects the wisdom of the sky with its symbol of **clarity** and intelligence.

APRIL

DIAMOND

April's love blooms in red, the color of passion and power. Ruby, king of precious stones, denotes the wisdom and wealth of the waking season, entrusted to the deep friendship of garnet. **Diamond's invincibility** stands as complement to red's audacity, its countless facets capturing every ray of sun.

MAY

EMERALD

May is lush with emerald green landscapes, a symbol of earth's balance restored. The month's peacefulness is denoted by prasiolite's gentle strength, malachite's eternal promise, and peridot's sunny light. Rich with summer color, May's **emerald** is said to protect from harm, reveal the **truth**, and **foresee the future**.

JULY

RUBY

July's color is white, symbolizing the perfection of love and new beginnings. With moonstone, pearl and white diamonds, absolute purity is obtained with a moonlight glow: such stones were historically gifted between lovers.

As the most precious emotion, love meets the “**king of precious stones**” in **ruby**'s passionate red.

AUGUST

PERIDOT

August's sun rises in warm rays of yellow, infusing energy. Its summer days shine in the colors of hessonite and lemon quartz, fresh and lively for trust and friendship. August is illuminated by the captivating light of **peridot**, known to the Egyptians as the "**gem of the sun**," a symbol of **spirituality**.

OCTOBER

TOURMALINE

October stares winter in the face with a defiant green: bright, staid and calm. With the brilliance of emeralds, prasiolite, malachite and peridot, this month recalls the eternal paradise promised to those who hold faith. Clear and patient, autumn's **tourmaline** protects the heart and shines with **true purity**.

NOVEMBER

ROSE QUARTZ

November shouts
with dark orange joie de vivre,
its confidence bolstered by intense
emotions. Reigned by ruby, king
of precious stones, it befriends garnet
to represent the fiery colors of fall.
Rose quartz blossoms alongside,
as the warm-colored “**love stone**”
known for feminine **sensuality**
and powers of **positivity**.
