Global Marketing Empire Solutions & Partner Development Company _____

This Member Control Agreement (the "Agreement") made and entered into this _____ day of _____, _____ (the "Execution Date"), BY: _____ of _____, _____, _____ (the "Member").

BACKGROUND:

A. The Member wishes to be partner of the sole member of a limited liability company.

B. The terms and conditions of this Agreement will govern the Member within the limited liability company:

1. We are offering our ordinary membership units pursuant to exemptions from registration under federal and state securities laws. You will not be able to transfer the ordinary membership units unless the transfer is registered or qualifies for an exemption from registration. There is no market for our ordinary membership units and the certificates, if any, representing the ordinary membership units will contain legends restricting their transfer under securities laws. If you purchase the ordinary membership units, you will be required to bear the risk of the investment for an indefinite period of time.
2. In making a decision to invest, you must rely on your own examination of EVU and the terms of this offering, including the merits and risks involved. No federal or state securities commission or regulatory authority has recommended this investment and no state or federal authority has determined the accuracy or adequacy of this document. Any representation to the contrary is a criminal offense.

Escrow..... The proceeds of the offering shall not be placed in escrow; but rather, shall be immediately available to the Company upon acceptance of the subscription.

Investor Qualifications..... We are offering the units to "accredited investors" only. To qualify as an accredited investor as an individual, you must have net worth of at least \$1 million, or have had income of at least \$200,000, or joint income with your spouse of \$300,000, during 2015 and 2016 and reasonably expect the same amount of income in 2017 and 2018. See "Investor Qualifications."

Restricted Securities..... The units will be restricted securities and will not be transferable unless certain conditions are met. See "Restrictions on Transferability of Units."

Use of Proceeds..... To cover the initial operating expenses of the Company and at the discretion of the Chairman Patrick J Abbott.
