RESPONSIBILITIES OF LOCAL FESTIVALS: ENTRIES TO THE PROVINCIAL FESTIVAL

It is the responsibility of each local Festival committee to ensure that all entry requirements are met prior to submitting entries. It is not possible for the Provincial Association to check entries, nor to be responsible for their accuracy and appropriateness; therefore, it is imperative that the local Festival be scrupulous in ensuring that all entries are correct and that they comply with the entry rules for that particular discipline and in accordance with the 2019-2020 Official Syllabus. Failure to do so may lead to disqualification of the competitor.

IT IS THE RESPONSIBILITY OF THE LOCAL FESTIVAL COMMITTEE TO ENSURE THAT EACH OF ITS RECOMMENDED COMPETITORS HAS READ AND FULLY UNDERSTANDS THE RULES & REGULATIONS CONTAINED HEREIN.

IT IS THE RESPONSIBILITY OF EACH PARTICIPANT TO READ AND COMPLY WITH ALL RULES GOVERNING THE PROVINCIAL FESTIVAL

Unauthorized copies of copyrighted material are not permitted. Local Festivals must also ensure that their competitors will provide sufficient original scores/scripts for use at the Provincial Festival or have appropriate authorizations for copies.

GENERAL RULES

**FOR PROVINCIAL LEVEL COMPETITIONS
(ALSO KNOWN AS THE "PROVINCIAL FESTIVAL")**

WORKING MANAGEMENT

Competitions are produced under the general administration and management of the Performing Arts BC Board of Directors and coordinated by the Provincial Executive Director. Any questions not dealt with in these rules shall be referred to the PERFORMING ARTS BC Board of Directors in writing; the decision of the Board shall be final.

The decision of the Board of Directors on all matters pertaining to the interpretation of the rules and administrative procedures is final.

The PABC board will regularly review the syllabus and present possible changes to a General meeting of the society. Changes which clarify wording will come into effect when passed.

ELIGIBILITY

1. All competitions shall be open to non-professional performers who are (i) Canadian Citizens or (ii) living or studying in Canada and who are selected by adjudicators at festivals affiliated through PABC. This condition does not apply to those bona fide students of the performing arts who teach for the purpose of applying the money so earned for the furtherance of their education, and does not preclude occasional remuneration received for services rendered in the arts.
2. Only those competitors of solo music, dance and speech arts classes and instrumental chamber group and Open Duo Speech Arts classes receiving an adjudicator's recommendation at the local Festival level may enter the Provincial Level Competitions, and must compete in the category so recommended.
3. **Age of competitors is determined as of December 31st before the upcoming Provincial Festival.** No single competitor may be over the age of 28.
4. Immediately following the local Festival, a member-festival may submit one recommended competitor only for a provincial-level class upon adjudicator's recommendation. However, single-discipline (dance and speech arts only) member festivals have the option of sending two recommended competitors in each level. Multi-discipline festivals have the option of sending two recommended competitors in each level of a discipline if, in the previous year, they have reported and paid affiliation fees accordingly for the qualifying number of entries in that discipline. The number of qualifying entries shall be counted according to the following discipline groups:

- 250 or more in Piano
- 150 or more in
 - Strings and Guitar
 - Woodwinds and Brass
 - Speech Arts
 - Classical Voice
 - Musical Theatre
 - Any festival may send two qualified chamber groups to the Provincial Festival in each level of competition.

Any festival which, in the previous year, has reported and paid affiliation fees for more than 200 registered participants in **solo stage entries** may send one additional representative in each of Level II & Level III Stage to the Provincial Festival.

New for 2020: A festival may send any number of qualified competitors to a Provincial Excellence class upon an adjudicator's recommendation. See specific rules on page 7.

5. Local secretaries should check the Provincial Office registration site for an update on recommended competitors to date. As a courtesy, member festivals may advise neighbouring festivals of all competitors who have accepted a recommendation for the Provincial Festival. Once a competitor has accepted a full Provincial recommendation, he/she is not eligible for Provincial recommendations at any other Festival (with the possible exception of chamber group competitors). Merited Participants may still accept a full Provincial recommendation from another festival.
6. To avoid controversy, the selection of competitors must be the sole responsibility of the adjudicators.
7. In order to be considered for recommendation by the adjudicators, a competitor must have performed in at least two (2) solo classes in the same discipline at a local festival and have received 2 marks of 85 or over in those classes. A possible exception (to two solo classes) is in the Chamber Group section and the Speech Arts Open Duo class.
8. Where possible, competitors should represent local Festivals serving the geographic area where they live or study. However, if there is no recommended competitor from the geographic area, adjudicators may recommend from outside this area unless prohibited by local Festival rules.
9. Competitors who have won a PERFORMING ARTS BC Provincial class cannot again be recommended for Provincial level in the same class but may subsequently receive the adjudicator's recommendation to compete in a higher class. **The sequence of classes is Junior A - Junior B, where applicable – Intermediate -Senior – Provincial Excellence.** Non-winners at the Provincial Finals may continue to enter the same class as long as all requirements are met. Non-Winners may not compete in a lower class regardless of their age. **If a competitor has won their discipline in the Provincial Excellence classes they are no longer eligible to compete at the Provincial Festival in that discipline.**
10. Other than the exceptions listed under the Music Division General Regulations and Guidelines, no competitor may be recommended/perform in more than one class at the Provincial Festival.

ENTRIES

11. Immediately following each local Festival, the local Festival's Provincial Contact should collect the required information from each recommended competitor and enter this into the Provincial database within two (2) weeks of the final competition of that local festival. All deadlines, requirements and guidelines of the Provincial Association must be complied with.
12. It is the responsibility of each competitor to return the waiver that is attached to the registration confirmation to the Provincial Office, along with payment. This must be received by the Provincial Office within two (2) weeks of receiving the email. Where the local festival pays the Provincial Festival entry fees the performer must still return a signed waiver form. The local festival office is then responsible for assuring that payment reaches the Provincial Office as soon as possible after the completion of the local festival. Cheques must be made payable to PERFORMING ARTS BC. **Entry fees are non-refundable.**
13. Competitors must perform the selection(s) listed on their entry form. The order of performance is their own choice with the exception of Dance. One of the selections must be the qualifying performance from the local festival. Selection changes at the Provincial Festival will not be allowed.

PROGRAMME

15. A tentative schedule of classes will be established in early spring. **Check the web site frequently for revisions.** As there are many considerations in developing a schedule and the order of performance, special requests cannot normally be granted, although the office will attempt to be as reasonable as possible, especially concerning accompanists in the Music Division. Only the PABC Board of Directors and/or Executive Director may alter the order of performance during the Festival.
16. Music and speech arts competitors must be at the performance venue at least 15 minutes prior to class or performance commencement. **Dance has very specific check-in times that can be found on page 24.** Music and scripts must be handed in prior to the commencement of the class: competitors must be prepared to perform when so requested and shall not commence the performance until introduced. Competitors must be present for the remainder of the class as well as for adjudications and announcement sessions of their category. As a courtesy to fellow competitors, we encourage all competitors to be present for the entire session.

COMPETITION AND ADJUDICATION PROCESS

17. All copyrights regarding music and printed text must be observed. Please see copyright requirements specific to each division.
18. Time limits: Selections must be accurately timed and stated on the entry form. Competitors exceeding the stated time limits for the class will be disqualified.

PERFORMING ARTS BC reserves the right to take official photographs at appropriate times for archival and publicity purposes.
24. There shall be only one winner per class in all Divisions.
25. Winners of classes finished by 4:00pm of the second day of the festival may be invited to perform at the Provincial Honours Concert. Winners of classes completed after that may be asked to perform during the Dance Finals concert.
26. All participants must attend **all** sessions and workshops for their discipline level. The President and Executive Director may make exceptions in the case of scheduling conflicts within the festival or other extenuating circumstances.

AWARDS

27. Cash prizes, tuition awards and gift certificates may be available, to be awarded at the discretion of the adjudicators, as outlined by scholarship donors. Adjudicators' decisions are final with respect to the choice of award recipients. The adjudicator's decision in all matters of adjudication, including the choice of award recipients, is final.

COMPLAINTS AND PROTESTS

28. Complaints and protests must be made in writing and directed to the PERFORMING ARTS BC Board of Directors together with a protest fee of \$25.00 immediately after the class or action. If the protest is upheld, the fee will be refunded. The decision of the Board with respect to complaints and/or protests is final.

DISQUALIFICATION

29. **The Association does not wish to disqualify any performer and sincerely advises all local Festival officers, competitors, parents, teachers and coaches, to abide by the Regulations and class descriptions herein and to abide by the spirit of the Provincial Festival so that infractions do not occur.**

MUSIC DIVISION GENERAL REGULATIONS AND GUIDELINES OFFICIAL 2019 - 2020 SYLLABUS

4. For the purpose of this Festival, in the Music Division, a Concerto or a Concerted Work is defined as any composition originally written for solo instrument with orchestral accompaniment.

7. The performance of Canadian material is strongly encouraged. The Canadian Music Centre may be contacted for music and information.
8. **Songs from contemporary musicals and motion picture musicals are permitted in Musical Theatre and Vocal Variety. Pop Songs are *not permitted*. Pop Songs are defined as any songs listed on the Billboard Magazine Pop Songs Top 40 chart within the 12 month period ending December 31 preceding the festival.**

TIME LIMITS

9. All selections must be accurately timed and stated on the entry form. Competitors exceeding the stated time limits for the class will be belled; failure to cease performing at the sound of the bell will result in disqualification. Timing shall "begin with the first note and extend to the final note", but shall not include any necessary tuning between selections, verbal introductions (see class descriptions for more information), nor applause. **Timing includes the accompanist's introduction.** Competitors are requested to take a minimum amount of time between selections, and to continue with the subsequent selections without waiting for the adjudicator's "nod" i.e. to perform in "concert style", unless otherwise advised.

The adjudicator must be given a complete original score of music under copyright for the duration of the performance. If original scores are not available, a letter is required from the publisher giving permission for copying. If the selection is generally considered to be in the public domain, a letter confirming this fact is required from the publisher along with permission to copy. The use of music downloaded from the Internet is permissible as long as it is accompanied by receipts for the number of copies downloaded. If membership in a site provides free use of the material downloaded, proof of membership must be provided. **Music downloaded from the free website www.imslp.org is permitted.**

Please write the full URL of the work being performed on the first page of all parts and copies being used. Photocopies are permitted for the purposes of page turns, but the full score must still be present at the performance venue, in addition to an original copy for the adjudicator. Competitors attempting to use unauthorized copies of copyrighted material will be disqualified.

15. **OPTIONAL, PARALLEL CANADIAN CLASSES** - These are optional classes for pianists on their own (see page 8) and string, guitar, woodwind, brass, chamber groups and voice all together (see page 17), and will be judged on this category's merits alone. Participants may not enter Canadian classes only, but **MUST** first be recommended in Provincial Piano or Instrumental classes. Recommended competitors may choose to enter the Canadian class at the same level. i.e. Canadian class recommendation from the local adjudicator is not required. The Canadian selection in these optional classes need not have been performed in the local festival. Competitors may perform Canadian selections in their recommended class as well as in the optional Canadian class; however, they may not perform the same selection in both classes. **Competitors who win this parallel class at a Provincial Festival must enter the next highest class in subsequent festivals. They may compete in two different class levels: one for their primary entry and one for the parallel class entry.**

OPTIONAL, PARALLEL VOCAL VARIETY CLASSES – These are optional classes for vocalists and will be judged on this category's merits alone. Participants may not enter Vocal Variety classes only, but **MUST** first be recommended by the local Festival's adjudicator either in Classical Voice or Musical Theatre; the student may then choose to enter the Vocal Variety Class at the same level as well. Participants recommended in Classical Voice or Musical Theatre may choose to perform one selection from light opera, operetta, Gilbert and Sullivan production, Revue or Cabaret, Classical repertoire or Musical Theatre in the parallel (i.e. same level) Vocal Variety Class. The selection in these optional classes need not have been performed in the local festival; however, care should be taken in the choice of selection for the Provincial Festival. No contemporary pop selections are permitted in these Variety classes. **Competitors who win this parallel class at a Provincial Festival must enter the next highest class in subsequent festivals. They may compete in two different class levels: one for their primary entry and one for the parallel class entry.**

A vocalist may only enter one parallel class: either Vocal Variety OR the Canadian Music Class.

 - b) The optional Vocal Variety classes in the Voice division permit competitors who have been recommended to compete at the Provincial level in a junior, intermediate, senior or **provincial excellence** voice class to perform as well in the "parallel" Vocal Variety class.

- c) Individual members of a recommended Chamber Group who compete in their Chamber Group class at the Provincial level may also accept recommendation from the same or a different local Festival to perform as a soloist in no more than one solo music class (for exceptions, see (d) and (e)).
- d) A Chamber Group participant may also accept recommendation from the same or a different Festival to perform as a piano or instrumental soloist: the participant may then also choose to enter the parallel Canadian Piano or Canadian Music class. A Chamber Group may also perform in the Canadian Instrumental class. (see page 17) A Chamber Group participant may also accept recommendation from the same or a different local Festival to perform as a vocal soloist in either Classical Voice or Musical Theatre: the participant may then also choose to enter the parallel Vocal Variety class.
- e) As well, to encourage more participation in Chamber Group classes, particularly in festivals/ regions where fewer performers of the same age and capability may be found, individual chamber group members may become “double-entry” performers by competing in two chamber groups at the Provincial Festival, representing one or two local Festivals, **but only upon receiving permission through special application to the Executive Director of PABC. Application must be made in writing prior to submission of Provincial Entry Forms. TWO** performers in each group may be “double-entry” performers.

PROVINCIAL EXCELLENCE CLASSES

- 17. Provincial Excellence classes will replace the Provincial-National classes. See individual disciplines for Provincial Festival performance requirements.
- 18. Competitors in these classes will continue to be chosen by Adjudicators at local festivals and will be expected to be performing at a very high level, generally higher than that required for recommendation to Senior classes.
- 19. Local festivals may set their own criteria for qualification for this class as long as the Provincial minimum standards are met. (Page 3, Rule 7)
- 20. There will be no limit to the number of qualified competitors that local festivals may send to these classes.
- 21. Provincial Excellence classes will include competitive classes and masterclasses with the adjudicators. Masterclass participation and performances will be considered by the adjudicators. SPEECH AND DRAMATIC ARTS GENERAL REGULATIONS AND GUIDELINES OFFICIAL 2019 - 2020 SYLLABUS

REPERTOIRE

1. The Syllabi published by the major examination bodies, including the Royal Conservatory (Toronto), Conservatory Canada, Trinity College, etc., are suggested for grade level guidance in entering local and provincial festivals in Speech Arts.
2. **OPTIONAL, PARALLEL SOLO SHAKESPEARE CLASSES** – These are optional classes for Speech and Dramatic Arts competitors and will be judged on this category's merits alone. Participants may not enter the optional solo Shakespeare classes only, but **MUST** first be recommended in Provincial Junior, Intermediate or Senior Speech Arts classes; such recommended competitors *may choose* to enter the Shakespeare class at the same level i.e. Shakespeare class recommendation from the local adjudicator is not required. The Shakespeare selection in these optional classes need not have been performed in the local festival. Competitors may perform Shakespeare selections in their recommended class as well as in the optional Shakespeare class; however, they may not perform the same selection in both classes. **Competitors who win this parallel class at a Provincial Festival must enter the next highest class in subsequent festivals. They may compete at two different class levels: one for their primary entry and one for the parallel class entry.**
This rule does not apply to the Open Duo Class, where competitors must have competed in a Duo class at their local festival and earned a minimum mark of 85%. Competitors in this class need not be competing in any other Speech Arts classes at the Provincial Festival, but may attend just for this class.
3. One of the selections must have been performed at the local level.
4. **No more than one selection may be an original work that has been written by the performer.**
5. In all levels, performers must introduce the dramatic selection to “set the scene” – these remarks are not included in the timing of the selection. **Any and all introductions made by performers on stage should be kept as brief as possible.**
6. Competitors must be of accepted ages as of December 31st before the upcoming Provincial Festival. Competitors may not be younger than 11 years of age.

COMPETITION AND ADJUDICATION PROCESS

7. Students are required to bring clean, typed copies of their selections. These should be labeled with name, class, and section (Joe Smith, Jr. Speech, poetry...) etc. They must also bring published copies – the books from which their selection is taken – or a receipt proving the purchase of an electronic version*. These books will be prepared ahead or in the lobby of the venue as follows: a post-it note marking the page in the book, with the student's name and section clearly visible. The student will retain all their books and copies until their turn. They will then submit them to the adjudicator's secretary, **in the order in which they will perform their complete program.** Books will be returned at the conclusion of the class. Copies will be destroyed. *Electronic versions should be available for perusal upon request.
8. Junior, Intermediate and Senior Speech Arts students will perform all of their selections – poem, prose, drama and sonnet (if applicable) – consecutively, concert style and in any order with one minute between selections (see pg. 21, **Costumes and Props**). Selections of Poetry, Prose and Drama should be chosen to demonstrate versatility. Time limits remain the same. Titles and introductions are not included in the timing (see, pg.21, **Time Limits**) **and should be kept brief.**
9. All selections must be memorized.
10. Students are expected to be present for all sessions of their class, both before and after their own performance.

11. Winners and Runners-up will be announced at the end of each class

TIME LIMITS

12. All selections must be accurately timed and stated on the entry form. Competitors exceeding the stated time limits will be belled; failure to cease performing at the sound of the bell will result in disqualification. In the Speech Arts Division, timing shall "begin with the first word and extend to the final word or stage movement", but shall not include announcement of the title/author, nor the verbal introduction (see class descriptions for more information), nor applause.

COSTUMES AND PROPS

13. Any addition of minimal costume* and/or props must be done without leaving the performance room, with set-up and/or costume changes limited to 1 minute between selections. Use of props is permissible only in the Drama and Shakespeare sections. Minimal props may be set on the stage at the beginning of each competitor's performance to smooth transitions and must be handled by the performer only. This time would also not be considered as part of the allotted time. Costume changes should be kept to an absolute minimum and could be as little as adding a scarf, or picking up a book. *The 'no costume' rule for poetry is discontinued to allow for smoother transitions between selections.

Note: no live flame is permitted on stage.

DEFINITIONS

The following definitions have been established as guidelines for competitors at the Provincial level:

Prose: A prose passage is a selection from a story, novel, essay or similar writing that forms a concise unit.

Prose is non-metrical writing: thus stories written in verse are not appropriate. In prose, the speaker is the narrator. The focus should be on the voice. Vocal characterization is encouraged but the quality of prose must be maintained. The selection should include narration, description and dialogue. It should be spoken in the story-telling style, but should not be performed as a dramatic scene, i.e. there is to be no acting, with only very limited movement around the stage. Competitors may stand or be seated.

Drama: In drama the speaker is the character. The selection should be taken from a play written to be presented on the stage by an actor assuming language, movement and dress of the character portrayed. The selection should be the words of one character only with words of other characters omitted. Shakespeare selections must be taken from his plays rather than his non-dramatic poetry. Movement, character development and relationships are important in this section, thus 'stand-alone monologues' (not from longer plays) are poor choices at the provincial level.

Poetry: In poetry, the language is moulded into some kind of design; in prose it is not. Speakers may choose to perform any type of poetry including but not limited to: lyric, narrative, dramatic, slam or free verse – matching performance choices to author intention and style.

- **Lyric** - a short unified poem expressing the poet's own experience and emotion usually presented in a relaxed stance with no movement. The speaker interprets rather than identifies with it. (e.g. *Solitude* by Bliss Carman; *To Autumn* by Keats; Sonnets of Shakespeare and Wordsworth).
- **Narrative** - a poem which tells a story and usually has dialogue: the telling of a story is the primary concern of the speaker (e.g. *The King's Breakfast* by A. A. Milne; *The Raven* by E. A. Poe; *The Cattle Thief* by Pauline Johnson).
- **Dramatic** – in a dramatic poem, a character distinct from the performer and poet speaks, revealing personality and attitudes. The primary concern of the poem is to reveal character, rather than tell a story (e.g. *My Last Duchess* by Robert Browning; *Patterns* by Amy Lowell).
- **Slam Poetry** - Idea or thematic connection poems with voice, humour, rhythm, exaggeration, wordplay, written for performance to an audience. Excerpts may be presented as these poems are often very long. Suggested resource books or poems include: "We Are More" (Koyczan), Word Warriors (Olsen), Take the Mic (Smith); Poetry Slam (Glazner).
- **Free Verse** – poetry or 'a poem' without regular rhythm or rhyme, yet still providing artistic expression (eg. Poems by Walt Whitman, Carl Sandburg or T.S. Eliot).

- **Sonnet** – a sonnet is a fixed form lyric poem, traditionally consisting of 14 lines of iambic pentameter with a set rhyme scheme. In Senior Speech, modern sonnets with variations in rhyme scheme and stanzaic structure are permissible, as are caudated, curtal and double sonnets, provided their inclusion fits the overall time allowance. Sources: The Penguin Book of the Sonnet; Making of a Sonnet (Hirsch); The Art of the Sonnet (Burt).

Definitions:

BALLET:

Demi-Pointe Classical: Dance based on any method of classical ballet technique (e.g. Cecchetti, R.A.D., Vaganova, etc.)

Pointe Classical: Dance based on any method of classical ballet technique (e.g. Cecchetti, R.A.D., Vaganova, etc.)

Neo Classical Ballet: Dance based on any method of classical ballet technique in the style of the 20th and 21st Century. Original choreography should be plotless and musically driven without narrative or mime. Dancer's movements should be the main artistic medium.

Contemporary Ballet: Incorporates classical ballet techniques with greater range of movements which may not adhere to strict body lines for classical ballet. This style includes non-traditional movements, such as more relaxed steps, floor work and turned in legs, etc., to portray the concept of being more innovative, free and earth-bound. The physical interpretation of the theme that the choreographer envisioned allows for more expressive emotions and feelings.

Interpretive Ballet: Dancers must use ballet technique incorporating the body as the medium of expression and interpretation of the music in order to portray an intangible thought or mood, real or imaginary. This category should express an idea but not tell a story.

Demi-Character: Dancer portrays a story/idea/concept/impression while performing ballet technique from the waist down and character from the waist up.

Character: Ballet technique with stylized movement. The dancer must portray a specific character, real or fictitious for the duration of the entire solo, and must incorporate the whole body but not tell a story.

STAGE:

Stage participants qualifying with either a Traditional Jazz or Lyrical Jazz solo MUST choose their second solo from one of the following categories: Tap, Song and Dance, Variety or Hip-Hop/Street Dance. The second solo may NOT be another jazz solo.

Jazz: Dance technique based on isolation of the body and/or contraction release

Lyrical Jazz: A dance that is generally performed to slower tempos and interprets the intent of that piece of music. This category MUST use soft jazz technique and style utilizing facial and body emotion to portray an idea, story, mood or feeling.

Tap: Arms are complementary and coordinated to the footwork. The rhythm of percussion is articulated through the feet and the entire body. The emphasis is on the clarity and shading of sounds, whether they are regular rhythm or syncopated. No dubbing of tap sounds permitted in accompaniment.

Variety: Dance suitable for a stage or musical production, cabaret, a review, live theatre, etc. Contents must be predominately dance, choreography should have a character base to it without straight line work; must be composed of a diversified vocabulary of steps and may utilize any dance genre. Live voice is not permitted; lip-synching is permitted.

Song and Dance: A routine suited to stage production. Equal effort in dancing, live singing and acting will be an integral part of the overall performance. No recorded vocals are permitted. Song and dance solos may be four (4) minutes in length.

Hip Hop / Street Dance: A constantly evolving form of dance that relies on individualism and personal style and emphasizes the expressive power of movement---should include but not be limited to choreography that incorporates a blend of contemporary funk and street style with jazz technique. May include moves such as gliding, popping, locking, waving, and utilize house, old school, and new school. May also include gymnastics/power moves or any series of tricks or stunts as long as music, costumes, and lyrics are age appropriate.

MODERN:

Modern: A stylized dance form with its foundations on a technically based discipline such as Graham, Limon, Cunningham, Humphrey and Horton etc. Dance that rejects the limitations of classical ballet, was formulated from natural rhythms, and which favours movement derived from contraction and release, breath, suspension, fall and recovery, weightedness, and dynamism. Movement may or may not be related to the music.

Interpretive Modern: Dance that uses a recognized/codified modern technique to tell a story, express a feeling, interpret a character, behaviour, or emotional state. Movement should be related to the intent of the music.

Contemporary: Free movement of dance encompassing various dance disciplines with modern technique as its underlying base, such as the choreography of William Forsythe, Wayne McGregor, Akram Khan, Ohad Narin (Gaga), Hofesch Shechter (Release Technique), etc. - a constantly evolving style of movement that gives physicality to human ideologies and concepts with emphasis on engaging the whole body.

Interpretive Contemporary: Dance that uses contemporary movement vocabulary from stylized to pedestrian (with modern technique as its basis) to tell a story, express a feeling, interpret a character, behaviour, or emotional state; eg. Pina Bausch (Tanztheater Wuppertal). Movement should be related to the intent of the music while the choreography must engage the whole body.
